Sierra Madre Land Values Expected To Increase 25%

CUBMASTER TROPHY presented to Bob Talbott for outstanding achievement as Awards Chairman of Pack 381 by John A. Sielen at annual Cub Scout picnic at Sierra Vista Park.

Bob Talbott Receives Award Of the Year

Cub Scout Pack 381 honored their outstanding and well deserving Awards Chairman Bob Talbott with the Cubmaster's award trophy at their annual picnic held in Sierra Vista Park. It was a bronze statuette of a Cub Scout in uniform, mounted on a solid walnut base, and appropriately engraved by Applied Engraving Co.

During the year Mr. Talbott distributed several hundred awards to Cub Scouts of Pack 381 who completed their Wolf, Bear, Lion and Webelos requirements and achievements. These are checked by their parents and Den mothers who report the results to the award chairman.

The highlight of each Pack meeting is the recognition of these accomplishments by appropriate awards to each deserving Cub Scout.

Salute to Sierra Madreans

Your attention is called to pages thirteen, fourteen and fifteen of this week's issue of the Sierra Madre News. These pages display the bargains that are offered to Sierra Madreans and readers of the Sierra Madre News by Monrovia merchants. It is also their opportunity to salute all people of the Sierra Madre Area. Read their messages, and tell them that you read it in the News.

Stella Church Died July 19

Mrs. Estelle Church died July 19 in a Glendale Sanitarium after having suffered a broken hip.

She was born in Ohio May 10, 1883, came to California many years ago. After her husband's death she had lived in Sierra Madre about 20 years. She was a member of the Congregational Church, the Sierra Madre Woman's Club and the Senior Citizens. She has three sisters living in the East.

Burial was in the Grand View Cemetery in Los Angeles.

Braden Says 'No Violations'

Karl Prussian Reviews 26% of Teachers Credentials

By Henry V. Witty

Karl Prussian, former FBI counterspy and present editor of Heads Up, P.O. Box 6519, San Diego 6, California, has compiled a definitive study of forty (over 26%) of the teacher credential cases ruled on by the California State Board of Education. This study covers a period of three years (May, 1960, through April, 1963) and, according to Karl Prussian, is based on the official California State Board of Education files.

Reportedly, this study was made to acquaint citizens with the facts regarding actions and policies of the State Board of Education and to point out the dangers inherent in the present State School Board policies regarding your children.

According to the editor of Heads Up, he has in his files the shocking record of the actions of the California State Board of Education whose president, Tom Braden, was recently the guest speaker of the local Monrovia group — Alliance For a Better Community (ABC).

As reported by Karl Prussian, the study is composed of case histories of teacher sex deviates, Communists, thieves and forgers who have been coddled by Governor Pat Brown and Tom Braden, chairman of the State Board of Education.

According to Prussian, all cases in the study, representing 26% of teacher credential cases in the period covered by the study, were given favorable rulings by President Braden and the State Board of Education.

This would indicate that most, if not all, of these individuals found guilty of charges involving moral character are now directly connected with the California School System.

SM Firemen Answer 34 Fire Calls

Firemen of the Sierra Madre Volunteer Fire Department spent a total of 29 hours on active fire fighting during the period from July, 1963, to July, 1964. Of the 29 hours, over 7 hours were spent in Arcadia on two mutual aid calls at night during May. There is a mutual aid agreement between the Sierra Madre department and Arcadia, Monrovia and El Monte, and if any of the above departments become involved in fires too large for their own equipment, they are able to call for mutual aid. If there is any fire in the Sierra Madre mountains, the U.S. Forestry Service will respond with help.

During the year there was a total of 34 fire calls. Nineteen were between the hours of 6 a.m. and 6 p.m., while 14 were between 6 p.m. and 6 a.m.

Most of the time spent by a fireman on the Sierra Madre Volunteer Fire Departis on drills and meetings, and the other activities carried on during the year.

If any man, who is 21 years old and lives and works in Sierra Madre and is interested in joining the department, he should contact a fireman or show up at the station on any second our fourth Friday of the month. Another important thing is that an employer will allow the member to leave his work should a fire call occur during working hours.

Kiwanians Hear Cuban-Born Guest Speaker

The Kiwanians invited their wives and many guests to attend the regular meeting of the Sierra Madre Kiwanis Club, Tuesday, July 28, the occasion being a most interesting guest speaker, one of the Coast Federal Savings free enterprise speakers.

Margarita Alexander chose for her topic, "Behind the Sugar Cane Curtain." Born in Havana, Cuba, she came to the United States in 1950, and became an American citizen in 1960. She attended Holy Family High School and received her B.A. degree from Marymount College.

She is a member of the American Freedom Academy, Glendale Crusade for Americanism, Brentwood Republican Club, Crescenta Valley Republican Assembly, and Montrose-LaCrescenta Young Republicans. She is 22 years old and at present is attending USC under the Specialist Teachers' program.

With a background like that, no wonder the Kiwanians, their wives and guests were held spellbound.

Kiwanis secretary reports that the Kiwanis Magazine has won top National School Bell Award for 1964. The award came for "distinguished continuous coverage of education during the year, by a specialized audience magazine." This is the second time the Kiwanis Magazine has been so honored.

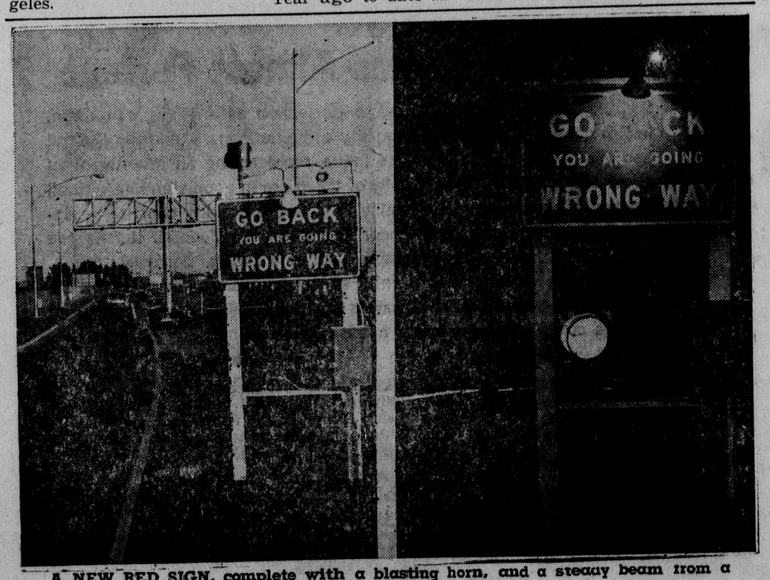

GARDEN CENTER QUITS

For those who are interested in filling in their garden area, or the purchase of garden tools, pet supplies, Christmas decorations, and thousands of items generally carried by a complete garden center, your attention is called to the large advertisement in this issue of the Sierra Madre News.

The Bluebird Garden Center, located at 914 W. Duarte Road in Arcadia, is going out of business. They are selling everything to the bare walls, and at prices that would make one think he is almost being paid to carry away the merchandise.

Sy Brainard and Tom Slinger, partners in the business, have long been known as management that has handled top quality merchandise. However, room area business location, and traffic have forced them to give up, and they are disposing of this merchandise at far below costs.

This sell-out starts Thursday morning at 9:30 and the store will stay open until 9 in the evening Thursday and Friday so that you can take your family with you for help in carrying out the merchandise. Saturday the hours will be 9:30 to 4 p.m. and on Sunday they will be open 9:30 to 4 p.m. Should you want to attend the sale Thursday morning and again in the evening, you can always pick out your merchandise and tag it for pick-up, and by paying for it, it will be held for you. Come early while the selections are good and the choices are available.

A NEW RED SIGN, complete with a blasting horn, and a steady beam from a bright red light, will confront the wrong-way driver at a test site on one off-ramp (near Sacramento) in the state freeway system. The new device, activated by a detector in the pavement which is sensitive to wrong-way movements only, is part of the Division of Highways' experimentation to devise effective ways to cope with motorists who may cause wrong-way accidents.

Cathy Wright Shows Some Improvement

Because of the great interest and concern of all Sierra Madreans as to the condition of 13-year old Cathy Wright, who was critically injured when she was struck by a car on Sierra Madre Blvd. June 8, the Sierra Madre News contacted her parents, Mr. and Mrs. William Wright of 660 W. Sierra Madre Blvd. to inquire about her progress.

Mrs. Wright reported Tuesday that even though Cathy is still in the intensive care unit, she is showing some improvement, and is now in a semi-conscious state. Her broken right leg was recently reset, and is now healing in a full cast to the hip.

Driver of the car, which

Sierra Madre All Stars Win 4 To 1

Our own Sierra Madre All Star Little League team came through with flying colors at Saturday's area 3 play-off game with another near shut-out of 4 to 1 against Hastings Ranch Little League.

Bob Everhart did a great job of chucking and the whole team was behind him during the six innings of play. The fans really gave the boys a round of cheer as they left the field with Area 3 Champs written all over their smiling faces.

With this first milestone behind them, they now move on to play the area 2 champions, Central Altadena, on July 30 at 5:30 p.m. at the Arcadia National Ball Park. The boys will really need your support for this game, so we hope to see you all there.

Sierra Madre All Stars Win Great Shut-Out Game

Beneath clear blue skies and a backdrop of the beautiful Sierra Madre Mountains, Little League baseball started its first tournament play-off game, Thursday, July 23.

The colors were presented by Bob Bagnall, Mark Collup and Pat Simmons, the three pitchers from the Minor League Champs of 1964, Royal Drug "Colts."

President of Sierra Madre Little League, Bill Simmons, threw the first ball to President of San Marino Little League, Marv Totten, and the game was started.

With the first inning running fairly smooth and both sides holding their own, the tables turned during the top of the second inning as Brian Bonney of the Sierra Madre All Stars, with two strikes, connected, and popped a beauty clear over the center field fence for a home run. Needless to say, the crowd really screamed. From then on, the All Stars seemed to really go. Bob Osti and Steve Andrews did a beautiful job of sliding into home plate to make our second and third runs of the day. Both pitchers were really working for their team, but Tom Edwards pitched as beautiful a game of baseball as any big leaguer could. From the first inning through the fourth he was either striking them out or our first baseman, Neal Skarin, was snagging the percentage of the few that were hit, ending up with one walk in the fifth and sixth. Not bad for a 12-year-old, I'd say.

All in all it was a great ball game and all of our Sierra Madre All Stars should be duly proud of themselves in the first tournament game, and a complete shutout at that, 9 to 0. Sorry, San Marino, but hoorah for Sierra Madre All Stars.

If there are a few fans in town who have not been down to take a peek at Heasley Field lately, you should really put forth a little effort. Can't remember when I have seen a more beautiful looking Little League field. Many thanks to the hard working fathers, sons and mothers who have made this possible for the youth of our town. It really looks great.

Council Hopes To Lower Tax Rate; County & Schools Expect Increases

Property Owners Faced with $400,000 Additional Taxes

Members of the City Council and the Press were amazed a week ago when the announcement from County Assessor Watson's office showed that the preliminary assessed valuation for Sierra Madre was set at $19,422,250, an increase of approximately 4 million dollars.

Where this increase came from was aptly brought out Tuesday evening by Councilman Rule, when in a note of alarm he announced that the land owners of Sierra Madre are really going to face a gigantic increase in taxes for the coming year.

Of the amount of increase, it was estimated that approximately only $800,000 was due to new development and new building, the balance had been raised in that LAND VALUES for the City of Sierra Madre had been increased as much as 25 per cent. This no doubt will affect all property owners in the city, except those who have built or acquired new buildings in the past 18 months, and the new formula had already been applied.

Information devulged by Councilman Rule, from a reliable, but unannounced source, stated that in many instances that property values were reviewed by the Assessor's Office from the standpoint of resale and purchase during the past few years, and the prices adjusted, and in many cases the property surrounding that selling for a higher price, were adjusted to bring it up to estimated market values.

As Councilman Rule concluded, many property owners are going to be "shocked numb" when they receive their tax bill for the 1964-65 period, due to the increases in assessed valuation, and the increase in the budgets, of both the County and the School Boards.

It will not be surprising, to those who follow the tax structure, when later it is found that Sierra Madreans will be expected to pay over $400,000 additional taxes this coming year over the previous year, this is based on a 10.50 tax rate and increased valuation.

With the new preliminary tax assessment estimated at $19,422,250, and the anticipated tax rate of $10.50 per $100 valuation, Sierra Madreans are expected to contribute approximately $2,039,310 in taxes to support the expenditures of the County, School District, City of Sierra Madre, Flood Control, Sanitation District, lighting and water agencies, for the year 12964-65.

As reported in a sister daily, the City Council of Sierra Madre was elated over the new tax assessed valuation. This is entirely untrue, if there was any ELATION, whatsoever, it was due to the fact that Councilmen of our city, had worked hard, and had held many meetings to pare down the tax rate, and are fairly sure to announce, after the PUC report on utility valuations are received, that the tax rate for the City of Sierra Madre has actually been reduced by a few cents per $100 valuation. If, further, any elation was shown it was due to, maintaining the services required to keep the city operating, pay the salaries necessary to maintain their employees, and still lower the tax rate.

Budget Adopted

At the regular meeting of the Council Tuesday evening the Budget for the 1964-65 year was approved and adopted, with only the necessary changes requested, and needed by the various departments.

——Please turn to Page 5

Rescue Team On the Job

As we go to press, information has reached us that the Sierra Madre Search and Rescue Team is on the job in La Paz, Mexico, and through their communications system have believed to have made contact with Harold D. Slaght, 19, of Santa Susana and Steve Bunch, 17, of Canoga Park, believed to have been lost in Mexico while searching for cacti.

A complete report of the search and possible rescue will be given by Bill Wark, public relations officer of the team, on their return.

Out of Business!

Due to non-support, the Printing House located in the Sierra Madre News building, this past week "Went Out of Business."

Mrs. Mary Olson, who since her husband's death last year has made an honest effort to keep her head above water, pay her expenses, make a little to live on, and keep the business operating, but alas, not enough work was given to her, so it was necessary to close the business.

From now on, the Sierra Madre News and its staff will handle all the printing that they are called upon to do, giving you guaranteed quality and most of all service. If we can help you in your printing needs, give us a chance. Due to this being a side line with us, prices will be considerably lower, quality better, because of experience, and service almost immediately, as a trained crew is available five days a week.

Cystic Fibrosis Fight

Robin Hardison Loses Long 18 Year Battle For Life

By Toni Maurin

The struggle for life, which started 18 years ago on April 10, 1946, ended for Robin Ann Hardison on Saturday, July 18, 1964, but for her parents, Mr. and Mrs. Charles Hardison Jr., the example of her courage can only be an inspiration for the future.

Robin was well aware of the probable outcome or her malady, but she did not for one minute let it interfere with the many things she had to do in the time she had allotted to her. She had no time for tears. Her life was filled with love and laughter in spite of the fact that she was under constant medical treatment and frequent hospitalizations.

She graduated this last June from Pasadena High School with honors in journalism. She was an editor on the PHS newspaper, the Chronicle, and was a member of Quill and Scroll.

More important than her scholastic achievements, however, was her popularity among her many, many friends numbering from the very young to the very old. She had a very special interest in people and a sensitivity that made her beloved by all who were privileged to know her.

Robin took great pleasure in music, both classical and modern, and was herself quite talented on the guitar and folk singing.

When Robin was first discovered to have cystic fibrosis, family friends in the Hastings Ranch area formed the Hastings Ranch Guild for Cystic Fibrosis. Over the past decade this group has raised over $42,000 for research in the field in a hope that a cure might be found to save the lives of the victims of this hereditary disease which afflicts primarily children and teenagers. The guild will continue in its aim to help find a cure so that other victims might be saved.

The Robin Hardison Memorial Fund for Cystic Fibrosis at the Children's Hospital of Los Angeles has been established by her parents to perpetuate her memory and her undying spirit.

Robin was the granddaughter of Mr. and Mrs. Harry L. Ryder, and Mr. and Mrs. Charles R. Harrison Sr., and the niece of Mr. and Mrs. John Holloway, Mr. and Mrs. Fredrick Ryder, Mr. and Mrs. O. R. Hardison and Mr. and Mrs. Francis Hardison.

Her services were held at the Wee Kirk o' the Heather at Forest Lawn on July 22, with the Rev. Bertrand M. Hause, chaplain of the Hospital of the Good Samaritan, Los Angeles.

Senior Citizens Celebrate July Birthdays

The Senior Citizens celebrated July birthdays on Saturday at the Park House with an ice cream and cake party. Members returning from last week's trips to Yosemite and Los Angeles Harbor gave interesting resumes of the trips. Tour Chairman Clinton Symonds reviewed several interesting trips available to Senior Citizens: An Alaskan tour, Aug. 17; Death Valley trip, 3 days in October, and Zion Park and Los Vegas, a 3-day trip.

Program Chairman Mrs. William Patterson announced next Saturday's program —Mr. Claude Vedder with colored slides of Yosemite.

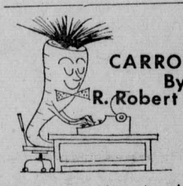

Hostesses for the day were Mrs. Nina Dimit, Mrs. Frances Gardener and Mrs. Emily Gibson.

China Inn Offers Food Delivered

A new service is being offered to Sierra Madreans this week in that China Inn, a very outstanding Chinese restaurant, will deliver food to any home in the area between 5 and 7 p.m.

This is a service that Sierra Madreans have not had in the past, and upon inspection this Chinese restaurant is of the highest quality, giving you the very best in food to go at a very nominal price.

Give them a call today at 359-4771, for the best Chinese dinner you have had in many a day.

I am going to side track my regular column this week to place in circulation the following "Meditation Of An Extremist."

—CT—

Although this writing is anonymous, it was found by Perry Arnold, of Arnolds' Hardware, and so completely covers a subject that seems to be on the minds of everyone these days, that we feel you will enjoy reading it.

—CT—

Should you, after reading it, desire additional copies of it, Perry will have them at the store for your asking.

—CT—

MEDITATIONS OF AN EXTREMIST

I am extremely proud that I am an American.

I am extremely grateful that our Founding Fathers gave us our Constitution and Bill of Rights.

I consider our free enterprise system extremely important to the American way of life, and I am extremely grateful for the opportunity to provide for my own security.

I am extremely happy that I can worship God as I wish.

I consider it extremely imperative that our public officials be guided by high principles and moral laws.

I am extremely concerned about the international conspiracy of atheistic Communism which threatens our nation from within and without.

I am extremely baffled by people who consider peaceful coexistence more important than freedom.

I am extremely disturbed by the thinking of the anti-anti-Communists.

I am extremely confident that more and more American people are beginning to assume the duties of good citizenship and that their actions are guided by a belief in God, moral integrity, personal responsibility and love of country.

I am extremely distressed to hear that people having this philosophy are considered by some Americans to be more dangerous than the Communists.

I must be one of those extremists who is considered so dangerous.

— Anonymous.

—CT—

This should give you all the information that you might need to answer the word "extremist," any way we will all be in there fighting from now until November I hope, I hope, I hope.

Letters To The Editor Show Concern...

Dear Editor:

The following is a copy of a letter sent to Mr. Bernard C. Yunck, president of the Apartment Owners' Association:

Dear Mr. Yunck:

The Sierra Madre City Council has requested that I acknowledge receipt of your letter. If you have reviewed the articles in the newspapers concerning the civic center discussion, the major error in your letter may already be apparent. The City received approximately $56,000 in Sales Tax funds this past year, and of that, $3,000 was transferred to the library for support of their program. This year it is estimated $58,000 will be received and of this, $10,000 will go to the support of the general fund. It should, therefore, be apparent that the amount shown in the 1964-65 budget is the result of accumulating funds over several years.

The program and planning toward the growth of the City and its need for more adequate facilities started in 1944 when the then City Council purchased the vacant land adjacent to the Women's Club to provide for future needs. This program took its second step in 1955 when the house and lot on Sierra Madre Boulevard, adjacent to both the park and future civic center, was purchased by the City Council in office at that time.

The completion of this program has been going forward under subsequent councils. Studying of arrangements, discussions with architects, visitation of comparable civic centers and the accumulation of the necessary funds for the continuation of the "pay as you go" program of the City have been following in logical sequence.

While the inadequacy of the police station and jail have received the most publicity, a tour of the entire building shows that all departments are working in offices which are poorly designed and therefore are unproductive.

Councilmen Parks and Rule have been the persons most closely connected with the recent development of th plans, and Councilman Parks answered the question regarding separate buildings when he said that it was very important to "keep all departments together to avoid duplication of function and for economy of operation."

The plans which are now being developed will provide for not only an adequate police facility but fire department quarters which will house the facilities and offices to provide for the increased demand on the fire department and also a meeting room and recreational area which is presently seriously lacking in Sierra Madre.

The City Council and my office appreciates your continued interest in the operation of the City and hope that you will take the opportunity to visit the present city hall, examine the plans as they are developed, and ascertain for yourself that the City Council is taking the long-range viewpoint and by obtaining an adequate civic center for Sierra Madre, the Council is striving to get a dollar's worth of production for every dollar spent, in both building and manpower production.

—LAWRENCE C. BEVINGTON
City Administrator

Dear Editor:

The political campaign this fall should be a "doozer." Just think of it, on the one side Lyndon, Pat Brown, the ADA, the Communist Party and the left-wing Democrats. On the opposing side we find Barry, "extremist" Republicans and Democrats, the John Birch Society and various and sundry members of the "constitutional underground."

This should prove interesting. Don't you agree?

—HUGH E. BEHNY

P.S. Please print all or nothing. Thank you.

Dear Editor:

Hear tell someone said a few days ago that extremism in the defense of freedom is no vice, and moderation in the pursuit of liberty is no virtue.

I been studyin' up on these extremists lately, and they don't scare me like Nels and Javits say they should. Once in awhile they even spout off a little sense, like—

"1. We believe communism, socialism, super liberalism and collectivism are like a cancer. The free world will be smothered and blotted out in a few short years unless these forces are met head-on and destroyed now. Co-existence with communism is as futile as a living human body trying to co-exist with a malignant tumor.

"2. Complete and utter integration of all ideals, forces, nationalities and races is impossible. If all peoples were born of the same parents, in the same house, and subject to identical environmental stimuli, it might come closer to fruition. This is not, however, true. We believe in the Constitution of the United States, wherein it is demanded that all citizens enjoy Equal Protection of the Laws. Those who wish NORMAL AND NATURAL integration through heartfelt motivations should have our absolute support, Laws which force integration result only in strife. A black man should not be forced to sell his house to a white man, nor should he be told to serve any man in his business if to do so would result in the boycott of his fellows. When private property cannot be sold, held or utilized according to its owner's wishes, it ceases to be private property.

"3. We believe in a day's work for a day's pay. If a person is able to earn his keep he should not, out of pity alone, be a kept man if he is unwilling to work. If he would not eat if he didn't work, he would work. Those who voluntarily wish to make provision for unemployment, old age or other government benefits should be allowed to do so. Those who prepare for the future on their own initiative and sweat should have our thanks and respect. Union membership for those who care to join should be assured, but a man should not have to join in order to work. We are unalterably opposed to union leaders with proven socialistic backgrounds.

"4. We believe in a sound sense of values. We are extremely suspicious of "never-had-it-so-good" Johnson claims in the face of wildly soft credit patterns, Bobby Baker's excesses (he is only one of many), and television commercials spawned of the belief that a sporty car, a six pack of beer and a sexy girl are life's ultimate goals.

"5. We are extreme in the love of our country; extreme in believing it should not be altered in substance. We are extremely suspicious of those who do not believe in these same ideals."

I dunno. Pretty hard to disagree with all that stuff. No doubt about it, though, it's mighty extreme. What's so bad about a beer and a broad?

—STIFBAK.

Dear Editor:

Congressional indifference to transport legislation is frightening. Railroads, vital to the economy and to national defense, are floundering in a morass of overregulation and discriminatory taxation. Free enterprise ends at the railroad right-of-way.

The simple, economical remedy is equitable taxation of railroads and of all commercial beneficiaries of government provided airways, highways and waterways now exempt from property tax. Minimum rate regulation actually is price support of already subsidized non-rail transport. Moderate revision of these inequities was proposed by several administrations and defeated by pressure-group infested Congress.

The strength of self-reliant railroads is also their weakness: They offer no opportunity for political empires built on subsidies. This seems to be the requirement for Congressional consideration. The only transport legislation recently passed favors rail rapid transit. It proposes to build a transit subsidy empire on the quicksand of existing overregulation and taxation. A commendable measure in many ways, it raises the suspicion that it is a transportation sop dipped from a new political pork barrel!

98.38% PERFECT!

Practice Makes Almost Perfect

98.38%. That's about as close to perfection as anything can come. In this case the subject is the quality of home loans. California Federal has over 48,000 first mortgage loans representing an investment of about $950 million. And 98.38% of them are in good standing with all payments up to date. Loan quality like that is nothing short of sensational even for a practiced lender like California Federal. It tells you what a remarkable group of people California Federal borrowers are... and how careful were the California Federal counselors who approved the loans. And it tells our 412,000 savers that, for dividends and safety, their savings could not be in better hands. As someone has said, nobody's perfect. But we keep trying.

Editorially Speaking....

IN THE PROTECTION OF A SACRED FREEDOM

I hold these truths to be self-evident:

1. That the home in which I live is — in essence — my castle, and that I have — and have had since this country was founded — until the passing of the Rumford Act — the unchallenged right to invite into or refuse to invite into my home whomever I choose, regardless of the purpose or reason, whether to accept my hospitality or to discuss with me the possibility of purchasing my home.

2. That since the Rumford Act has taken from me my basic right of freedom of choice and decision with respect to whom I may show, entertain or share my home, whether it be for five minutes, five hours, five days or five months, I feel that I should have the unchallenged right to work with my fellow-citizens, through the enactment of the Rumford Iniative, to have restored to me this Sacred home protection privilege of which I have been robbed by the Rumford Act.

3. That the Rumford Act has and does in effect prohibit the free right and decision of enumerable home owners in offering for sale and selling their homes, when such sales could be and are in many instances to their own best family, occupational and financial interest, all in the fear that what they may do may work a sentimental, emotional or financial hardship upon their friends and neighbors.

I, therefore, consider it my right, privilege and duty to do whatever I can, legally and lawfully, to have restored to me, my cherished and constitutional right, to fully protect my home in the full manner in which my right of decision and my conscience may dictate, so help me God.

The Battle's On

Arizona's Senator Barry Goldwater, the man of whom it was said he died politically with the tragic shot which felled the late President Kennedy, is energetically out proving — like Mark Twain — that the reports of his demise were somewhat premature.

Fresh with a massive first ballot victory as the GOP presidential nominee, Goldwater, aided by his colorful vice presidential running mate, New York Congressman Bill Miller, now is launched on his struggle with President Lyndon Johnson.

In Johnson, Goldwater will face a challenge far more difficult than the seemingly impossible task of capturing the Republican nomination appeared last spring. The political pros who write with their heads instead of their hearts, however, aren't likely to say again that the Arizonan can't do it.

President Johnson, obviously, is an odd on favorite to capture the presidency this November. He has captured the imagination of the American people through his considerable ability to succeed President Kennedy with tact and energy.

The Goldwater-Miller ticket will add considerable spice to the upcoming Democratic National Convention. There the problem is not the presidential nominee, rather it is Johnson's choice of a vice-presidential running mate. The odds must be strong that Johnson will be looking for a conservative with appeal to the South and West. These are areas of Goldwater strength.

Thus in the Goldwater victory, the possibility of nomination of liberals like Senator Humphrey, Attorney General Kennedy, and Peace Corps Director Shriver is lessened. The chances of another westerner whom many have been apt to discount, California's Governor Pat Brown, are improved. Brown has demonstrated his vote-getting prowess in California and probably would not occasion a protest from Southerners who want no part of the frequently mentioned liberals.

The country, at any rate, may look forward to a slam-bang presidential campaign this year, one certain to be full of fireworks. Goldwater and Johnson are strong men who know the political ropes. Neither is apt to flinch from the contest, and the country unquestionably will benefit from a full airing of its problems and the opinions of the candidates concerning them.

What Do We Do Now?

Fourth of July is over. Flag day has passed. Bastille Day is once again history. And the Republicans have scattered. What do we do now in California?

Well, there's Liberian Independence Day to celebrate on July 26. Or we could read the reports from the Sixth International Congress of Biochemistry July 27 to 31. Peru's Independence Day comes on the 28th.

Of course, we could observe the fact that 50 years ago, on July 29, the first long distance conversation was held between San Francisco and New York. On second thought, however, after what happened to some New Yorkers in our Primary Election and at the Cow Palace, that might be a rather stilted conversation today.

Despite a Democratic clampdown on further congressional probing of the Bobby Baker case, the GOP will move full bore into the investigation, operating an ad hoc committee if necessary to keep the matter alive as a campaign issue, according to Washington sources.

Capitol sources still are predicting that Senator Clair Engle will resign his post to enable appointment of Democratic senatorial nominee Pierre Salinger to the vacancy, thus enabling him to campaign as an incumbent.

LBJ, irked by the recent House Ways and Means Committee death blow to the Medicare bill, will seek to revive the measure by bumping heads in the Senate to at least get a similar measure through the upper chamber before election, congressional observers say.

Sierra Madre News

Published every Thursday at 9 Kersting Court, Sierra Madre, California, Los Angeles County, Post Office Box 37, Telephone Elgin 5-3324 or 5-3325.
The Sierra Madre News, Official Newspaper of the City of Sierra Madre is declared a Newspaper of General Circulation for the publication of legal notices, as defined by Section 4460 of the Political Code of the State of California, in the Superior Court of Los Angeles County August 19, 1936. FREEDOM

At Any Price

By H. V. Witty

Statistics indicate that Americans are the most charitable people in the world. Both domestically and internationally we contribute to the sick, the needy, and the downtrodden. This is a most commendable trait, but our frantic rush toward mass welfare and security must not blind us to the all important necessity of patriotism and freedom.

In this day of aggressively expanding socialism (both of the Communist variety and otherwise), patriotism becomes the fountainhead of freedom. Those who attempt to befuddle us with promises of future Soviet cooperation (and would have us place ourselves in a prone position at the mercy of the Kremlin) are either oblivious of the lessons taught by history or are conscientious paid agents of the Communist Party.

If freedom were actually lost in this country, the last bastion, what would be the fate of the charitable programs and institutions so commendably built? The answer is self evident. Domestically the hospitals, churches, civic centers, youth centers, educational buildings and trained professional and technical personnel would be occupied and taken over by the enemy for the benefit of those dedicated to the destruction of freedom.

—☆—

The struggle between patriotic Americans and socialistic ideology is basically a moral issue. Freedom comes from God. Slavery grows out of man's effrontery in setting himself against God.

We have a great need to believe — in our work, our homes, our country, and our God. It has been said that "a grain of faith is stronger than a mountain of doubt." We must conquer fear with faith, meet rumor with reason, and use the sword of truth to cut out the weeds of falsehood.

Freedom must be preserved. How can Americans work for freedom? We can match our wits against those of the Communists and their dupes. The game is tough but rewarding. The ultra-liberals will set out from the start to attempt to offset facts with duplicity, slyness, and hypocracy. At times we will find ourselves uncomfortable and ill at ease. But not after we thoroughly learn the game of liberal double-talk so much a part of our opposition's stock in trade. Every conceivable false promise will be made. At times we may find ourselves hanging on the verbal ropes, but we must remember that we have the facts on our side.

As we begin to win, our foe may prove ill-tempered and will likely assume a pose of righteous indignation. This is a sure indication that we are hitting hard and winning. If our opposition is truly Kremlin controlled, however, and not a mere dupe, we will never convince him of the rightness of our viewpoint. We cannot expect that for he has known the true score all along. His actions grow out of his strange malady brought on by the irrepressible desire to destroy. The politeness that cloaks his fanaticism lasts only as long as he can make politeness work. His true nature is exposed when bystanders at the verbal ringside begin to see that we are winning.

There is one thing for which every patriotic American must be prepared and that is to be smeared. The order was set forth in the Moscow Manifesto — "destroy the anti-communist movement in America." There is no weapon that will not be used nor a trick that will not be played by Krushchev's hatchet men and their gullible dupes!

Patriotic Americans must explain over and over again what freedom is and why it should be preserved. If this task is accomplished, the American people will no longer accept increasing restraints on their personal liberty or the twisting of the idea of freedom into an excuse for statism or the growth of the federal government into a bureaucratic dynasty.

The truth is on the side of Freedom. Let us never forget that we have gained our strength through freedom and we have held our freedom through strength. Each American must gird himself personally with the courageous armor of deep conviction in the rightness of our cause.

Arcadia Area Freeway Pact Adopted

A resolution approving a freeway agreement with the State of California covering the portion of the proposed Foothill Freeway between the Pasadena City limit near Northup Avenue and the Arcadia City limit at Baldwin Avenue was adopted by the Board of Supervisors. day.

Supervisor Frank G. Bonelli noted that in May, 1962, the California Highway Commission adopted a resolution declaring the portion of Route 9 in the County of Los Angeles and the cities of Pasadena and Arcadia between Lincoln Avenue and approximately 0.3 mile east of Michillinda Avenue to be a freeway.

In order for the work to proceed, it is necessary for the County and the State to enter into an agreement relating to the scope and extent of each agency's obligations.

The agreement covers the closing, location, and construction of County roads other construction affecting County roads and the maintenance of these highway facilities as related to construction work on the proposed freeway, Bonelli explained.

Mr. Rorbert Hartman is looking forward to the Cryogenic Engineering Conference at the University of Pennsylvania, which he will be attending soon. He will fly back to Philadelphia for that week. Later in the summer, "Bud," a member of the Sierra Madre Planning Commission, with his wife, Lois, will be taking their children, Sandy and Chuck, to Laguna Beach for a two-week vacation.

OUT OF THE COBWEBS

10 Years Ago:
July 29, 1954

The City of Sierra Madre's 38 employees, including department heads, were voted a 5 per cent "across the board" increase in salaries by action of the City Council, and also have in prospect the institution soon of a long-awaited retirement plan.

Retroactive to the beginning of the current fiscal year, July 1, the council action ups the municipal payroll by approximately $7000, and is another step toward bringing salaries of Sierra Madre city employees somewhat in line with those of cities of corresponding size.

Increased supervisory and group planning time budgeted for the City and Sierra Mesa Elementary schools here this fall will be reflected in an enlargement of the special subjects and activities program which gives breadth to the school curriculum, Superintendent of Schools Charles A. Skutt announced this week. The enlarged program is not extra-curricular, according to the Superintendent, and is not new, but an expansion of that already offered in the city school.

Mr. and Mrs. Samuel I. Kirk and children of 646 W. Sierra Madre Blvd., have returned from a fortnight's vacation camping trip to 160 acres of Calaveros County timberland which has been in the Kirk family since 1895.

Dr. Norman Johnson of the Sierra Madre Medical Center left recently for a two-week holiday in the east.

20 Years Ago:
August 3, 1944

Some one who bought a War Bond credited to Sierra Madre's quota of $1o0,000 during the Fifth War Loan drive will win the $700 Alfred J. Dewey oil painting tomorrow evening at the Old Brick Oven headquarters of the Sierra Madre Arts Guild in Windsor Lane. The War Loan has been oversubscribed by a trifle more than $41,000.

30 Years Ago:
July 27, 1934

Imagine nine members of the Kiwanis Club floundering around the diamond and base paths of a ball field aboard mountain canaries . . . it's coming to pass. The club at its last meeting heeded the call of other clubs to join the fad that is sweeping Southern California, and organize a team for a series of games at which admission will be charged and the proceeds will go toward unemployment relief.

But the local club is in no hurry to put its own members atop the donkeys. Most of the boys want a little practice with the burros before they take chances, and the burros, used on the Mt. Wilson and Sturtevant trails need to be taken to new scenes in an effort to teach them that the only objective in life is not the stable or a trail's end, but the home plate on a baseball field.

With a big spurt in building operations, a jump in postal receipts, increased bank deposits and merchants reporting better business and collections, Arcadia feels that the depression is fast becoming a thing of the past, and business conditions are gradually improving.

He is a sorry citizens if he can't get credit for more stuff than he can pay for.

Mrs. Herbert Hoover, former first lady of the United States, paid a short visit to Sierra Madre this week at the home of her son, Herbert Hoover, Jr., and his family on North Sierra Madre Avenue.

Letters To The Editor . . .

Dear Editor:

Answering a letter last week in your paper.

There is a difference between political philosophy and fact.

Mr. Warren's decisions of the Supreme Court which support the Communist line are listed in the Congressional Record and are documented facts.

Can't the left wing element face the truth? It is quite eveident that they cannot.

What is patriotic, they retort to by reharrassment and name-calling.

What exposes them to the truth (i.e., House Committee on Un-American Activities), they want destroyed.

After all, the Socialists, Communists and front organizations cannot allow their members to ascertain the truth.

It is indeed against their "political philosophy."

—ROSE SANICKS.

Vacation Plans

Mr. and Mrs. Earl La Lone recently returned from a wonderful trip through the Southwest. With their daughter and son, Marsha and Chris, they drove through Arizona, stopped to to see the fabulous Carlsbad Caverns, and then visited with relatives in El Paso, Tex. From there they went on to visit Mr. La Lone's relatives in New Mexico. On the return trip, they enjoyed seeing the Grand Canyon.

New Books At Local Library

Barrett, William E. The Lilies of the Field — the haunting miracle of a humble man and four nuns who built a little church — fiction.

Dunnett, Dorothy. Queen's Play—a novel of Mary Queen of Scots.

Haas, Ben. Look Away, Look Away — a provocative novel of the civil rights struggle.

Golden, Harry. Mr. Kennery and the Negroes.

Javits, Jacob K. Order of Battle—a Republican's call to reason.

Manion, Clarence. The Conservative American.

Montgomery, Ruth. Mrs. LBJ.

Robertson, Don. A Flag Full of Stars—a Putnam award novel set in 1948 when the underdog from Missouri was elected President—sad, nostalgic, funny.

Sevareid, Eric. This Is Eric Sevareid.

Updike, John. The Centaur — the National book award 1963.

The Editor . . . Letters To

Dear Editor:

Open letter to my fellow Americans: Relax! Go back to sleep! Don't support Senator Goldwater's campaign! Don't volunteer for precinct work! Don't defend him! Retain the status quo AND THE SMEAR ARTISTS WILL SUCCESSFULLY DEFEAT HIM!!

Nighty night.

— D. HOLT

2040 Liliano Drive, are eagerly looking forward to the arrival of their son and daughter for a long visit with them. Their daughter, Mrs. Tom Kerr, will be coming down from Sunnyvale, with her husband and baby, little nine-month old Kathy. And their son, Bryon, will be home for a month's leave, from Frankfurt, Germany, where he has been stationed with the Army for a year.

Sierra Madre Land Values To Iincrease

Salary Increases

Further, Resolution Number 2087 was adopted which gave the employees of the city a Step Salary Plan, which brings the city closer to paying the same salaries of the 10-sister cities of the area. The increases, effective July 1, 1964, was from 5 to 10 per cent, and were necessary, if the city hoped to keep experienced and trained employees.

Further Business

Further business accomplished by the City Council was the passing of Resolution 2088 confirming the assessment of $7,496 against the property in Sewer District No. 83. The Merrill Alley improvement was given the green light, although the bid cost was 10.9 per cent above the engineer's estimate, and with no objections, except easement rights, the Council approved condemnation for easements, if negotiations failed to gain the easement rights for storm sewers, and when the easement was obtained to proceed with the improvement.

Ordinances Adopted

Ordinances No. 726, 727, 728, 731 were given their second reading and adoption and ordered published in the Sierra Madre News August 6.

Ordinance No. 733, ordering the installation of stop signs at Sierra Madre Boulevard and Sunnyside was given its first reading, and should be ready for final adoption at the August 11 meeting.

Weed abatement charges were approved and sent on to the County tax collector to be added to the various properties, as was the assessment of $75 for removal of a substandard building at 570 Las Rocas.

The highest bid of $400 for the palm trees on Santa Anita Avenue was accepted by the Council, and removal will be made so that improvement of this avenue can be completed.

The Council was further notified by City Attorney Martin that a draft of the Conditional Use Permit Ordinance was ready for study, after which it may be adopted as an emergency ordinance prior to the expiration of the 60-day hillside moratorium.

Hearing Set

A hearing was set for the precise plan for Grove Lane as of August 25, and the Water Superintendent reported that the City of Sierra Madre used 2212 acre feet of water over the past year.

The Automobile Club offered its services to Sierra Madre to make a traffic and stop sign survey, free of cost, which would assist the city in future planning. This was accepted with gratitude.

Completely Shook

Being completely shook, with the evidence of the gigantic increase tax to be paid by its citizens, the Council adjourned at 9:24, until their regular meeting of August 11.

Cathy Wright

also fatally injured Patricia Lambert, daughter of Mr. and Mrs. Arthur Lambert, had a trial by jury on July 15. At that time he was found guilty of a misdemeanor, involuntary manslaughter, and will be sentenced on August 6.

Carol Franchini Is A Bride

Carol Franchini became the bride of Stanley Wharton at St. Anselm's Church in Ross on June 28, the Rev. Donaly Kelly officiating. A reception followed at the home of the bride's parents, Mr. and Mrs. William Franchini of San Anselmo.

For her wedding Carol wore a full length dress of white silk organza with Swiss lace appliques. Her attendant was her sister, Mrs. James Green, who wore a pink linen dress and carried red roses.

Harvey Wharton was his brother's best man and ushers were the bride's brother, William Franchini, and Tom Markham.

Carol was graduated in June from the University of California, where she was a member of Alpha Phi sorority.

The bridegroom is the son of Mr. and Mrs. Harry Wharton of Arcadia. He was graduated from the University of California last year, where he was a member of Delta Tau Delta fraternity.

The newlyweds, who honeymooned in Carmel, are living in Oakland.

An extended trip to the East is being enjoyed by Miss Carol Parker, daughter of Mr. and Mrs. Daniel Parker. She'll be in Memphis for ten days, then on to Springfield, Massacusetts for several weeks to visit relatives. She'll also spend several weeks in New York, with visits to the World's Fair. Following her wonderful trip, Carol will be a freshman at the downtown campus of Mt. Saint Mary's College in September.

New Arrivals in the Sierra Madre Area

The Reverend and Mrs. Neils C. Carlsen proudly announced the birth of little JoAnn Marie on July 25. Their new daughter weighed 6 pounds 14 ounces when she arrived.

The Carlsens have two older children, Paul, 11 years old, and Susan, who is 6. Their maternal grandparents are Mr. and Mrs. C. H. Petersen of Washington. Rev. Carlsen is the Pastor of Bethany Lutheran Church in Pasadena.

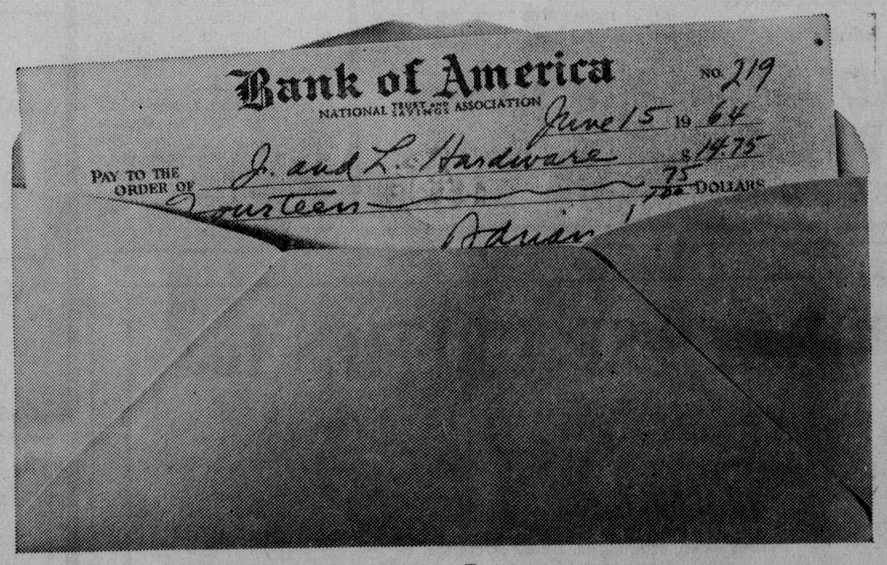

Mr. and Mrs. George Dunton of 300½ W. Laurel Ave., Sierra Madre, proudly announced the birth of their third child, July 8. Their new little daughter, Lori Anne, weighed 7 pounds, 8 ounces when she arrived at Sierra Madre Community Hospital. Very pleased to have a new baby sister are Kenneth, 4, and Edward, 3 years old. The paternal grandparents are Mr. and Mrs. George A. Dunton of Boston, Mass. The maternal grandmother is Mrs. Rose Harding of Hamilton, Ontario, Canada.

You and Your Neighbor
. . . Vacation Plans
by Pauline

An unusual but terrific vacation is being planned by the Wilber Cook family. With their four children, Marianne, Mike, five-year old Robert, and Kristen, three years old, they will drive to Sacramento, and get aboard the houseboat that they have rented. They're all looking forward to touring as much as possible of the 1500 miles of the Sacramento River Delta Waterways. Marianne and Mike are both students at San Jose State, and in the fall, Mike will be president of the Sigma Chi fraternity, and head cheerleader for the year.

Lisa, Jamie and Craig McCoy will soon be flying to Indianapolis for a three week visit with their grandparents, Mr. and Mrs. James R. McCoy. Their parents, Mr. and Mrs. James L. McCoy of 232 Ramona, are staying home this summer to wait for the happy arrival of their new baby in August.

Earlier in the summer, Mr. and Mrs. Wingrove of 286 E. Grand View, with their six children, had a very successful camping and fishing trip to Lake Mead. They drove over to the lake, which is near Las Vegas, to visit Mr. Wingrove's sister and brother-in-law, Mr. and Mrs. Billy H. Gray. While they were there Mr. Wingrove proudly caught a 10 pound, 23 inch bass, and they've got the pictures to prove it! Last week, the Wingroves had a wonderful visit from Mr. and Mrs. Arthur Marx Jr. and their children, Mike, Kathy, Sandy and Jeff, of Cleveland, Ohio. Mrs. Marx is also Mr. Wingrove's sister, and to celebrate their visit they had a big family picnic at Farnsworth Park. Arlee, Ted, Deede and Gary Wingrove are keeping busy at home now, but Nina is on a delightful camping trip for a week at Del Mar Beach, and Helen is staying with her aunt and uncle, Mr. and Mrs. Jim Wingrove in Glendora, to help with their brand new baby.

Larry and Ann Twedell are planning to stay at home this summer for two reasons. Number one is so Larry will be available for his volunteer work with the Sierra Madre Search and Rescue Team, and number two is that they plan to do a lot of work on their new home. Anxious to "help" with the redecorating are four year old Dale, and Miss Laura, two years old!

Mr. and Mrs. Alfred Strauss of 337 E. Alegria are having the pleasure of entertaining their son, Mr. Gernot Strauss, and little granddaughters, Kathy and Patricia, from Pittsburgh, Pennsylvania. Kathy and Patricia will be staying for a month, so Mr. and Mrs. Strauss are planning trips to Disneyland, Marineland, picnics in the mountains, and all the fun activities that little seven and eight year old ladies enjoy.

New Arrivals in the Sierra Madre Area

July 10 was a very happy day for Mr. and Mrs. David A. Elkins of 223 E. El Sur, Monrovia, as they proudly announced the birth of their first child. Their little son, Timothy David, weighed 8 pounds, 11¼ ounces when he arrived at Huntington Memorial Hospital.

"Timmy's" mighty proud grandparents are Mr. and Mrs. M. A. Readel and Mr. and Mrs. T. A. Elkins, all of Pomona.

* * *

Mr. and Mrs. Philip A. Schiffendaker of 124 N. Mountain Trail, Sierra Madre, became the proud parents of their first son on July 10. Master Mark Alan weighed in at 6 pounds, 11 ounces at Huntington Memorial Hospital.

Very thrilled to have a little brother is Miss Robin, 2½ years old. The happy grandparents are Mr. and Mrs. Ted Schifferdaker of Altadena, and Mr. and Mrs. Eugene Wenz of Vista. Mrs. Fred Krug of Altadena is the pleased paternal great-grandmother, and Mr. Norman Springer of Los Angeles is Mark's maternal great-grandfather.

Mr. and Mrs. John Anderson of 923 S. Monterey Ave., Monrovia, proudly announced the birth of their first child on July 12. Their little daughter, Tamara Lynn weighed 7 pounds 4½ ounces when she arrived at 4:11 a.m. at Methodist Hospital.

"Tammy's" very happy grandparents are Mr. and Mrs. Max Glick of Chatsworth, Calif., and Mrs. M. L. Anderson of Lancaster.

Little Miss Dawn Marie is the very welcome newcomer at the home of Mr. and Mrs. Donald Mahoney in Monrovia. They happily announced her arrival, weighing 7 pounds 8 ounces, on July 14 at Methodist Hospital. Very thrilled about her first grandchild is Mrs. Jennie Ahrendt of South San Gabriel.

July 14 was a wonderful day for Mr. and Mrs. Richard Oster because their first son was born at Methodist Hospital. Little Master Mark Alan weighed 7 pounds 12 ounces when he arrived.

Christi Lynn, 4 years old, is mighty pleased to have a new brother at her home, 436 Canyon Blvd., Monrovia. Their proud grandparents are Mr. and Mrs. Donald Oster of Pasadena, and Mr. and Mrs. B. Ashabraner of Arcadia.

Mr. and Mrs. Perry Lowell of Monrovia, became the very happy parents of their first child on July 17. Mark Thomas weighed 6 pounds 7 ounces when he was born at 3:30 a.m. at Methodist Hospital in Arcadia.

Mark's proud grandparents are Mr. and Mrs. Joe N. Gonzales of Azusa, and Mr. and Mrs. Perry Lowell of Pasadena.

Mr. and Mrs. Charles Lamar of 1312 Oakwood Dr., Arcadia, proudly announced the birth of their sixth child on July 16. Their little daughter, Victoria Anne, weighed 7 pounds 2 ounces, when she arrived at St. Luke Hospital.

Very happy to have a new sister are Kathleen, 16, Peter, 15, Patty, 13, Chris, 11, and little Andy, 2 years old. Their maternal grandparents are Mr. and Mrs. Vernon Rust of Costa Mesa.

There are four children now at the home of Mr. and Mrs. Donald Deal. Only July 17, they welcomed Sandra Lynne, weighing 6 pounds 15 ounces, at St. Luke Hospital.

Anxious to meet "Sandy" at their home, 411 Santa Anita Ct., Sierra Madre, were Donny, 6, Richie, 4, and and Linda, 2½. Their proud paternal grandparents are Mr. and Mrs. Elmer Deal of West Covina, and their maternal uncles and aunts are Mr. and Mrs. Frank Kuchenski of Sierra Madre, and Mr. and Mrs. Rome Kuchenski of Pasadena.

Miss Rebecca Ann is the new and very welcome member of the Ronald Hopkins family in Monrovia. On July 13, Mr. and Mrs. Hopkins proudly announced her birth at Methodist Hospital, weighing 9 pounds 6½ ounces.

Mr. and Mrs. Paul Thorsen of Arcadia, and Mr. and Mrs. M. K. Hopkins of Sierra Madre, are very pleased with their new little granddaughter too.

July 23 was a wonderful day for Mr. and Mrs. Harold Ellison, as they happily greeted their first child. Their new little son, David Alex, weighed 6 pounds 4 ounces when he was born.

David's very proud maternal grandparents are Mr. and Mrs. Murray Kay, and there's one thing for sure, David will be the best dressed little boy in town, since the Kays own the Tyke Town in the Foothill-Rosemead shopping center, and another Tyke Town in Glendale.

Wilshire Gallery Presents Exhibit Of 'All Ships'

Ship designer turned painter, Marcus Paulsen, will present an "all ships" painting exhibit August 13-14 in Wilshire Federal Savings Art Gallery, 3500 Wilshire Blvd., Los Angeles.

The 40-painting display will include large colorful oils of the American Clipper Ship, H.M.S. Bounty, Topsail Schooner, the Spanish Galleon, freighters, 3-masted schooners and many other interesting ships and marine scenes which Mr. Paulsen can paint so realistically.

Now a retired naval architect, Paulsen devotes most of his time to his favorite subject, that of painting ships.

Mr. and Mrs. Lester R. Anthony of 248 San Gabriel Court are happily expecting their son, A. 3/c Steven Anthony, home for two weeks in August. Steven is stationed at Nellis AFB, near Las Vegas.

Vacation Bible School To Start Monday, August 3 At Bethany

Two weeks of intensive Bible study, craft, and interesting activities begin for over 200 children at Bethany Church of Sierra Madre next Monday, August 3. The annual Vacation Bible School sponsored by the church will begin at 9 a.m. and is held until 11:30 every week day until August 14.

The theme for this year's school is "Around the World with Christ," emphasizing the great missionary task to which Bethany Church is firmly committed. Pastor Robert N. Schaper and his wife Margaret will appear before the students during the first week at an especially appropriate time, for they will be embarking on a world trip on August 8, to return near the end of October.

Leaders of this year's school include the church's minister of education, Harold Ankeny as director and Miss Lila Stranske as his assistant. Adult teachers and supervisors include Yoneko Hashimoto, Helen Obazawa, Susan Obazawa, Ida Annas, Jill Bock, Viola Ross, Marceilie Pollock, Anne Ranck, Judy Richter, Rosalie Nelson, Dorothy Tuverson, Barbara Gibson, Joyce Moore, Anna Marie Browning, Helen Carruth, Evelyn Moore, Shirley Packard, Mary Roess, Carolyn Carlson, Ruth Schilberg, Shirley Richter, Kay Vangen, La Veda Gardner, and Edith Pierce.

High school and junior high students also assisting include Sandra Scott, Ann Carlson, Loretta Packard, Vicki Ankeny, Virginia Kershaw, Diantha Burnett, Kris Tuverson, Laurel Grey, Carolyn Burwell, Sharon Anidson, and Nalla Childers.

The nursery for the children is being run by Margaret Carlson, Marymac Maas, Dixie Shulman, and Lois Shilberg. The deaconesses of the church under the direction of Mrs. Mora Brooks have the responsibility of providing refreshments each day for the children.

Anyone desiring further information regarding the Bible school, may call 355-1409 during the day. The church is located at Baldwin and Montecito in Sierra Madre and welcomes all children to be included in this fascinating and unique experience annually held during the summer vacation.

Bonelli Appraises County Uniform Building Code

Supervisor Frank G. Bonelli today reported to the Board of Supervisors his evaluation and appraisal of a Cities-County Uniform Building Code proposal recommended in a resolution adopted by the Los Angeles City Building and Safety Commission and concurred in by the Los Angeles Mayor and City Council.

Bonelli said that he and County Engineer John A. Lambie have been invited to assist in the formation of a Countywide Uniform Building Code.

"Certainly, no argument can be made against the need, justification and benefit that will or can ensue from a uniform county-wide building code," Bonelli emphasized; "however, some facts not already known, perhaps, should be documented."

He continued: "Presently the County of Los Angeles and all of the 76 cities therein except the City of Los Angeles voluntarily use 'The Uniform Building Code' as their building code. More than 40 per cent of the cities in the entire United States use 'The Uniform Building Code.'

"In our county this means that 3,990,000 people are already under the regulation of the same code with 2,666,000 people in the City of Los Angeles using other regulations. In terms of construction valuation for the year 1963, a total of $1,181,000,000 of construction was put in place under one set of regulations (The Uniform Building Code) and $894,000,000 of construction was put in place under another code, namely, the City of Los Angeles.'

"In addition, in the entire State of California, the City of Los Angeles and the City of San Francisco are the only cities of any appreciable size to our knowledge deviating from the uniformity provided by The Uniform Building Code. The regulations of the State Fire Marshal and the State Division of Housing have included by law The Uniform Building Code with minor variations as the basis for their requirements. This means that approximately 75 per cent of the construction in every city and county of the State is required to meet The Uniform Building Code.

"It would appear, therefore, that to achieve the greatest uniformity of building codes the City of Los Angeles should join with the other 75 cities and the County in using The Uniform Building Code and that further joint efforts should be made by all the agencies to improve The Uniform Building Code to eliminate the need for local amendments.

"My motion and recommendations, upon which I request Board approval, are as follows:

"1. That the Board express itself in support of the study.

"2. That the Board designate the County Engineer and me as County representatives.

"3. That the name of any new code developed be designated as 'The Uniform Building Code of the Cities and County of Los Angeles.'

"4. That the study concentrate on the present differences between The Uniform Building Code and that of the City of Los Angeles.

"5. That with the differences thus known, the best of each code upon evaluation be then incorporated into the uniform countywide building code.

"Such a Board order as to appointments and policy would appear to be a good starting point toward possible attainment of such uniformity."

OPEN SUNDAYS AND WEEK EVES. 'TIL 9 P.M.

SPORTS AS Hank Ives SEES IT

LITTLE THIS-'N-THAT

TONY LINEHAN, assistant grid coach at PCC, picks up a couple of bucks during the summer by doing bit parts in movies. Tony can currently be seen in the "Carpetbaggers." But you had better look fast, he's only on the screen for a flash. Tsk, tsk, adult entertainment too.

DID YOU contribute your little bit to "Charity" last week in Hollypark ?

DIZZY DEAN has had his ups anl downs as a broadcaster. The "folksy" ex-fireballer once had to survive the wrath of St. Louis PTA ladies who objected to his backwoods grammer. So what's wrong with "slud" into third base? Now the powers that be are ordering the Dizzy one to quit saying nice things about his home state of Mississippi. Brother, how bad can it all get?

JAZZ FANS have heard of Billy and his Bachelors. But I'll betcha they didn't know that Billy is none other than Billy Wells who led the Michigan State eleven to a 28-20 victory over Paul Cameron and the UCLA Bruins in the 1954 Rose Bowl Game.

TRAINER FARRELL JONES is a bit of a wizard at conditioning horses. He must be looking forward to the upcoming Del Mar meeting. Last year at the course "where the turf meets the sea," Jones saddled 34 winners, 11 seconds and 13 thirds. A two buck bet on each of his nags would have shown a nice $150.40 profit for the meeting. Shucks that's better than handicapping.

PAY-TV fans already have the answer to one problem. Since they pays their money and don't get Vin Scully they simply flip on the TV set, turn the volume down and catch Scully's radio version over KFI. But about those commercials.

TALK ABOUT BRIDES MAIDS . . . Old Hankus plunked a deuce on both Donson and Azure Te in last Saturday's split Juvenile Championships and both hosses ran second paying $19.60 and $19.80 for place money. Doesn't it make you want to cry?

WONDER IF red-hot apprentice Senen Trevino will suffer the same fate as many of the other promising bug-boys. Trevino, who is the leading apprentice in the nation, rides with a reckless abandon that labels him. "a very good one." Yet the same thing was said last year of "the Little Matador," Miguel Yanez, and he is having his troubles now that he no longer has the five pound weight allowance.

HOLLYPARK WRAPUP and odds and ends . . . . Milo Valenzuela is particularly disgruntled about his latest suspension. Milo claims that certain well known jockies are getting away with infractions right and left . . . . Larry Gilligan is being compared with Johnny Longden the way he gets a horse out of the gate in a hurry . . . Old Hankus' theory on the 12 post at a mile and sixteenth is holding up . . . Winners from the outside are almost non-existent.

Ray York, Pete Moreno and Eddie Burns had a great meeting . . . Especially good to see York hitting the winner's circle. A couple years ago the likeable little feller was scratching for mounts.

I LIKE THIS ONE ABOUT Little League . . . . "One thing the Little League teaches is how to be a good loser . . . unless of course you're a parent!"

COMPARE THE FAST rising Angels and the Baltimore Orioles and it appears that just one man is making the vast difference between the lofty league lead and the scrambling fourth place sector. The Orioles have Brooks Robinson at third base.

Figure the Angels' Bob Rodgers an edge behind the plate. Adcock and Power are equal to Siebern at first. Magician Knoop rates over Adair at second. Fregosi over Aparicio at short. The Angels have much more outfield depth but lack the power of Boog Powell. However, for sheer maneuverability the edge goes to the Angels.

I wouldn't trade Dean Chance for any of the Oriole mound staff. I figure Chance - Belinsky-Newman and Don Lee the equal of Bunker, Barber-Estrada and McNally. The Angel relief corps of Duliba, Gatewood, and Bob Lee have certainly held their own with Miller-Haddix and Hall. The difference in the standings just has to be Brooks Robinson at third base.

LUCKY WINNERS NAMED — The drawing for the Von's and Shopping Bag World's Fair Sweepstakes was held at the company's main offices in El Monte on Friday, July 24. Shown making the selections are from left to right, Stiltman David De Garro, Mr. Fred Rhodes, and Mr. T. A. Von Der Ahe, president of Von's Grocery Co.

You and Your Neighbor . . . Vacation Plans

by Pauline

While their daughter, Julie, is on an extended tour of Europe, the very nicest kind of graduation present, Mr. and Mrs. Kenneth Carlson are planning a two-week trip later in the summer to the San Francisco area. Mr. Carlson attended college there, and is looking forward to showing Mrs. Carlson and their sons, Joe and Chris, all of the interesting spots around there.

The Weldon Stevens family are spending their summer getting ready to move. With their five children, Wayne, Gary, Susan, Jimmy and B.J., they'll be leaving for the Detroit area. Much as they all hate to move from Sierra Madre, they have found a very nice home on Pierce Road in Birmingham, Michigan, and hope to hear from their friends here.

Mr. and Mrs. Mel Stine recently enjoyed a week's vacation at the Cardinal Village Resort near Bishop. Their two younger sons, Chris and Jon, loved the fishing and hiking. After their week of rest anu relaxation, the Stines came back to face a big move. After 18 years in their home on Grand View, they moved last week to a new home at 520 Ramona. Their daughter, Judith, will be leaving in September for her senior year at Berkeley, and their oldest son, Peter, will be attending PCC.

Earlier in the summer, Shirlee Bagnall had a week and a half visit with her parents in the Bay area. More recently she took Bob and Tracy Ann to Balboa Beach for a week, leaving Bill at home to continue working on the new addition to their house, and the remodeling. Ten year old Bob loved his trip to the beach, but was anxious to get back in plenty of time for the Sierra Madre All Star games.

Dorothy and Julian La Lone recently returned from a month's vacation, which was just heavenly. With their daughter, Annoula, and granddaughter, Yannoula, they drove up the Oregon coast to Canada. On their way to Victoria they stopped at Mt. Rainer in Washington and loved every minute of the beautiful blue skies, fresh air and green trees. On their return trip they stopped at the Russian River, north of San Francisco, where their son Gerald La Lone and their daughter Dorothy Smith, with her husband, Ernest and four-month old Brett, joined them for some real good fishing and boating.

A very welcome houseguest at the home of Mr. and Mrs. George Mays Jr. was Mrs. George Mays, Sr. She recently visited with them for two and a half weeks, from her home in Decatur, Illinois. Later in the summer Mr. Mays and their four sons, John, Jim, Stephen and Richard will all be going on a ten day Boy Scout camping trip to Sequoia National Forest, which they're really looking forward to.

Carter Doran Has New Position At Pacific College

Carter Doran of 399 .N Baldwin Ave. in Sierra Madre has accepted the position of Director of Student Affairs at Los Angeles Pacific College and began his work on campus this month, according to Dr. Robert J. Cox, president.

Doran graduated from Yale University in 1960 with a major in psychology and a minor in drama. While at Yale he was president or the Yale Inter-Varsity Christian Fellowship and secretary of the Yale Christian Community. He also served as announcer for WYBC at Yale.

As son of P.C. Doran, currently of Raleigh, N.C., and a captain in the U.S. Coast Guard and Geodetic Survey, the new director spent his early years traveling with his parents. Three years were spent in Panama, Colombia and Peru. He graduated from Bethesda - Chevy Chase High School in Bethesda, Md.

While at Fuller Doran directed several religious plays. One of his "leading ladies" in the plays, a student from the state of Washington, is now the "leading lady" of the Doran household. Mr. and Mrs. Doran with their tiny daughter, Lisa, plan to live in the Highland Park community.

"MEMOS" FROM YOUR Stylist

by LOLITA

Fully teased hair — those great cotton candy puffs of hair so popular the past few years — has run its course. However, a reasonable amount of teasing or backcombing can do much to lend body and symmetry to a finished coif.

Teasing properly is not child's play, though. Don't yank or pull carelessly at your hair, or tease it if it is very dry. Also, never sleep on teased hair as your scalp will be unable to breathe and this could lead to eventual hair breakage.

However, here's something to sleep on: How about making an appointment soon at PETITE BEAUTY SALON for the most exciting permanent ever? A bright, new outlook is no farther away than PETITE BEAUTY SALON, 185 West Sierra Madre Blvd. Open 6 days — evenings by appointment. Our new VAPOZONE machine combines ultraviolet and hydrogen peroxide vapor into a health-giving cleansing mist which does wonders for the hair, scalp and complexion. Phone ELgin 5-8041 . . . . Parking in the rear . . . . Coffee, too.

THIS WEEK'S HELPFUL HINT: Want to remove chipped nail polish? Rub with baby oil, then with cold cream. Scrape nail with flat end of file.

FIRST PRESBYTERIAN CHURCH was the setting for the evening wedding of Mary Louise Karbo and Glenn M. Krebs on July 18. The Church had been beautifully decorated by Mrs. A. G. Embree when the Rev. H. Adamson performed the impressive ceremony in the presence of 125 close friends and relatives. The bride is the daughter of Mrs. Marian Nolan of Studio City and the bridegroom is the son of Mr. and Mrs. Merle Krebs of San Diego. For her wedding the bride chose a dress of pink silk shantung with a lace overblouse, and carried a bouquet of white orchids. Her hat was of pink tulle. Mr. and Mrs. Cliff Lunn of Long Beach served as matron of honor and best man. Mrs. Lunn wore a dress of turquoise chiffon, and carried white orchids. Following the wedding, a reception was held on the patio of the church. After greeting their guests, the new Mr. and Mrs. Krebs left on a honeymoon trip down the coast. Upon their return, they will make their home in Sierra Madre.

Alpha Omicron Pi Alumnae PlanParty

Invitations have gone out to the more than 30 Alpha Omicron Pi collegiates from the Pasadena and Glendale areas for a relaxing afternoon of luncheon and swimming on Sunday, August 2. This annual party is hosted by the Pasadena and Glendale Alumnae Chapters and will be held from 12 to 3 p.m. at the home of Mrs. Cecil S. Feldman, 4720 Indianola Way, La Canada.

With the luncheon set for noon by the food committee chairman, Mrs. Kennedy Brogden of Arcadia, and her assistants, Mrs. James Haynes and Mrs. Carroll Roth of Arcadia, Mrs. Thomas Piviratto and Mrs. J. H. VanDerWater of Altadena; Mrs. Elmer Staff of El Monte; and Mrs. Jack Layman of San Gabriel, the casual atmosphere of shifts and shorts plus swimming will give the collegiates and alums a chance to get better acquainted and to discuss Fall rushing.

Mrs. Jonathan Powell, president of the Pasadena Alumnae Chapter will act as co-hostess with Mrs. Feldman and Mrs. Robert Keller of La Canada who is general chairman for the party. According to Mrs. Powell and Mrs. John Adams who are the invitations committee, several prominent Alpha Omicron Pi alumnae have been invited to the party. These include Miss Helen Haller and Mrs. Verne McKinney, past National presidents, Mrs. Carl Johnston, Alumnae District Advisor, and Mrs. D. S. Eastabrook, Southern California Council president.

Among the Pasadena girls expected to attend are: Sally Sorenson, Cal.; Jan DeMartini, Colorado; Carrol Chadlock and Nancy Ann Spence, San Jose; and Janice Winkler, UCLA. Arcadia collegiates invited to the party are Judy Morgan, Cal; Marilyn Stennett, San Jose; Susan Peters and Carolyn Berry, Oregon.

More are: Diane Ingram and Elizabeth Ann Mickman, UCLA; and Linda Raines, Cal from San Gabriel; Ellen Herlihy, Arizona, and Marilyn Kusche, San Jose from San Marino; Brooke VanDerKar, Arizona, from Altadena; Rita Seay, UCLA from Alhambra; and from South Pasadena, Martha McDaniel, Oregon State.

A relaxing weekend at Big Bear was recently spent by the Milton Emerson family. Mr. Emerson is the new vice chairman of the Sierra Madre Planning Commission. With their children, Brad and Judy, the Emersons will be spending a two-week beach vacation at San Clemente later in the summer.

You and Your Neighbor . . . Vacation Plans

by Pauline

Mr. and Mrs. Walter Fader of 166 S. Baldwin recently enjoyed a weekend fishing trip to Kernville. Going with the Faders were Mr. and Mrs. Carl Brand and Mr. and Mrs. William Stoddart. This past weekend the Faders had a happy visit with their son, Walter Fader Jr., and his family in Santa Barbara, and as always they had a wonderful time with their grandchildren, Charles, Jane and Robert.

Mr. and Mrs. William Stoddart not only had a fun fishing trip to Kernville with the Walter Faders, but they also drove to Las Vegas recently. With Mr. and Mrs. John Parslow, they spent four days at the Tropicana, thoroughly enjoying all the shows on the strip.

A four-week trip to the East coast was recently enjoyed by Bob and Doris Behrens and five of their six children. Driving a 26-foot Ford Motor-Home proved to be a very comfortable way to travel, and they were able to stop at many, many interesting places for sightseeing. Needless to say, 11-year-old Tom; Jerry, 9; Ellen, 7; Ricky, 6, and Susan, 4 years old, loved every minute and were terrific travelers. On their way to New York they stopped in Bob's hometown of Newcastle, Ind., then on to visit relatives in Cincinnati. The children particularly liked Gettysburg, Pa., and their sightseeing in Washington, D.C. While there, they went to Arlington Cemetery to see President Kennedy's grave. The highlight of the trip was New York City and, of course, the World's Fair. there they went to Niagara Falls and across the border to Ontario, Canada. On the way home, they stopped at Mount Rushmore in South Dakota, Yellowstone National Park and ended the fabulous trip with a visit with close friends in Santa Clara. Master Steven, 1½ years old, was a little too young to join his family on this trip, so he stayed here in Sierra Madre with friends.

A 2½-day train trip was the fun prelude to a delightful three-week vacation in Oak Park, Ill., for Mrs. Tom McQuire and her six children, Tommy, 11; Terry, 9; Mary, 8; John, 5; Bobby, 4, and little Miss Kathy, 2 years old. They loved seeing the countryside from the observation car and, of course, were mighty excited all the way about arriving at their grandparents, Mr. and Mrs. Harold Dougherty. While they were in Oak Park, Mrs. McQuire's brother, the Rev. Robert Dougherty, came over from Chicago as often as possible, and they all had some wonderful trips to the beach and the zoo. The McQuires also had a nice surprise when the Behrens family from Sierra Madre drove up for a short visit on their way East. Mrs. McQuire and the kids flew back to California in three hours and 50 minutes and, as always, home looked mighty good to them.

The Robert La Lone family just returned from a delightful two weeks spent at the June Lake Loop in the High Sierras. With their daughter, Brigitte, they drove they camper, took a tent, and rented a trailer to accommodate their many, many visitors. Contributing to the La Lones' fun on this vacation, by joining them for short visits, were Mr. and Mrs. Mel Morse, and Mr. and Mrs. Arnold Hoegee. Also Mr. and Mrs. Vint Hoegee, and Mr. and Mrs. Larry Sheppard. Mr. and Mrs. Johnny Clarke also drove up, as did Edward La Lone, with Frank VanWickle. A wonderful time was had by all, and the fishing was great.

Mrs. John Maize and her children, Beth and Peter, of Arcadia, recently got back from a most enjoyable three week trip to the East. They flew first to Washington, D.C., for some sightseeing, and then drove to the Eastern Shore of Maryland to visit Mrs. Mazie's parents, Mr. and Mrs. Paul Terry, and her brother, Stephen. The Terrys' home overlooks the Miles River, so they spent lots of time swimming and waterskiing. On the fourth of July, they were guests on a large yacht that cruised down the river to St. Michaels, where they watched Mrs. Mazie's brother "crew" in the Log Canoe Races, a tradition in the Chesapeake Bay area. On the return trip, the Mazies stopped in Kansas City for a four day visit with relatives.

You and Your Neighbor

. . . Vacation Plans

by Pauline

Mr .and Mrs. James Smith are looking forward to two separate vacations at the beach. With their daughters, Sandra and Susan, they'll be spending a week at Newport Beach, and later on a week at Pebble Beach.

A terrific camping trip is being planned by six local couples and all their kids, for this summer. Betty and George Dorman with young Tom and Mary will be going, along with Doris and Willard Mescher, and their sons, Willard and Jimmy. Also in the group will be Juanita and John Lambert, with Chris, Gregory and John, Mary and Dick Jones with Jennifer and Jeffrey, Doris and Bill Stone with Debbie, Loren, Cammy and Gary, and the Schmidt family, Bill and Ouida with their children, Gayle, Stephen and Bobby. They will start off their fun vacation by driving to Mammoth Lake for five days, then on to Lake Tahoe, where they'll camp and have a "ball" swimming, fishing, etc.

Needless to say all the kids are not only excited about the trip, but they can't wait to spend two weeks sleeping in tents.

A Sermon In A Barber Shop

"A Sermon In a Barber Shop" will be the subject of the pulpit message which the Rev. Armin Hesse will present in the 8:45 and 10:30 Sunday morning services at Faith Lutheran Church, 845 Hastings Ranch Drive.

This will be the clergyman's third sermon in the current summer series on "Timely Messages of the Lord Associated with Unusual Places." It will center on a chapter in the Book of Ezekiel in which the Prophet was instructed to act as his own barber to give himself a butch-haircut and shave, with the further directive to divide the hair thereby obtained into three parts with a designated purpose for each skein of hair.

"The significance of the action for us today," states the pastor, "Lies in the Lord's interpretation of the symbolic act."

Next Monday morning the Children's Vacation Bible School will begin its two-week session. Conducted each school day from 9 to 11:30, the theme of the departmental course will be "God, My Country, and I." It will emphasize the outstanding qualities of exemplary citizenship in both the spiritual and national realms.

Children entering kindergarten in the fall on up through pupils in the junior high grades will be eligible to atend. Non-member children are also welcome to enroll. Constituting the instruction staff will be the Misses Susan and Cheryl Osti, Mrs. Barbara Miller, Mrs. Janice De La Torre, Mrs. Gladys Moore, Mrs. Janet Rutz, Mrs. Dorothy Hesse, Mrs. Rose Fehring, and Mrs. Esther Leehy.

Dr. Barnhart Announces Sunday Topic

"How to Release the Power of Joy" is the timely subject of Dr. Ethel Barnhart's sermon Sunday morning, Aug. 2, at both the 9 and 11 o'clock worship services, at the Santa Anita Church of Religious Science. The power of God cannot find outlet through heavy hearts and burden - filled thoughts, according to the Christ teaching. True joy, its release and power in actual life experiences will be the theme of the sermon. The public is invited to this non-denominational church. Child care is provided during both services.

Junior Church at 9 a.m. provides spiritual education for children from kindergarten through the eighth grade. Bring the children into the Family Worship Services at 9 a.m. for 15 minutes. Following a sermonette by Dr. Barnhart, the children go to their graded classes in the Christian Education building.

The youth activity for high school young people meets at 7 o'clock Sunday evenings.

"Living Religions," a tuitional four-week class presented by Dr. Irma Glen, is still open for enrollment. The dates are Tuesday evenings, July 28 through Aug. 18. The time is 8 o'clock. Dr. Glen will play for 15 minutes before each service, presenting music characteristic of the religion discussed. Please call the church for further information.

Thursday morning, July 30, at 11 o'clock, Dr. Barnhart will conduct a workshop in the application of truth principles to every day living. Open to the public. Free-will offering is received.

Prayer opens the avenue through which the healing power of God flows into manifestation. Call our telephone ministry for help day or night. The number is HI. 7-6162.

Bethany

Church Notes

At the first annual Sunday School Workers' Recognition Banquet held at Bethany Church of Sierra Madre, two ladies on the staff of the Sunday School received awards for outstanding achievement. Mrs. Mabel Perry, supervisor of the beginner department, received the "supervisor of the year" award, while Mrs. Madeline Huff of Pasadena, serving in the second grade department, received "teacher of the year" honors. Both had outstanding records of faithful service and efficiency in their responsibilities.

Mrs. Yoneko Hashimoto, teacher in the beginner department, was the only teacher to receive the "honored teacher" award for having done an outstanding job of student contact by phone, visit and mail throughout the year. Mr. John Bush of Sierra Madre was honored with special recognition in having completed 14 consecutive years as a teacher of the fifth grade boys.

General Superintendent John Kershaw presided. Pastor Robert Schaper spoke briefly regarding his impending world trip and Minister of Education Harold Ankeny outlined the fall activities to be emphasized. Music for the occasion was provided by John and Betty Bush.

Pastor Schaper will lead the congregation this Sunday in worship at 11 a.m., speaking on the theme, "Shun Idolatry." Observance of the Lord's Supper in remembrance of the death of the Lord Jesus Christ will be held at the 7 p.m. service. Dr. Schaper will bring the meditation at that service.

The public is cordially invited to attend the services of the church located at the corner of Baldwin and Montecito in Sierra Madre.

Help Crippled Children

Kiwanians Hold Ball Game Tickets For August 18th

The Kiwanis Crippled Children Foundation's annual drive to raise funds for crippled and underprivileged youngsters through its 25th annual benefit baseball game moves into its final stages this week.

More than 150 Southern California Kiwanis clubs are participating in the program. This year's event will feature the world champion Los Angeles Dodgers and Milwaukee Braves on the evening of August 18 in a regular National League contest at Dodger Stadium.

"In order for both the foundation and local area Kiwanis clubs to raise needed funds for crippled kids and other youth projects, game tickets must be purchased in advance through Kiwanis," Hap Halligan, game chairman, pointed out. "All ticket orders through Kiwanis must be placed prior to August 5."

Halligan also noted that there is no increase in the price of tickets purchased through Kiwanis. Box and reserved seat tickets are available for $3.50 and $2.50 respectively.

Funds from the sale of tickets will enable the Foundation to provide arm and leg braces, artificial limbs, eye operations and other medical care and treatment for needy children, regardless of race, color or creed. In addition, the Foundation maintains beds at Orthopaedic Hospital in Los Angeles.

This is the southland's oldest benefit baseball game. Since the first one in 1939, more than $665,000 has been raised. To order tickets, fans may also call BR 2-3400.

Bruce G. Lindsay Makes Honor Roll

Bruce G. Lindsay, son of Mr. and Mrs. George Lindsay, 101 W. Bonita, Sierra Madre, is among 122 students on the spring semester Linfield College, McMinnville, Ore.

Twenty-four of these students received perfect, all "A," 4.00 grades.

To be listed on the Linfield honor roll a student must maintain a minimum point average of 3.50 out of a possible 4.00 in all class work undertaken, explains Dr. E. Avard Whitman, Linfield registrar.

Letters To the Editor . . .

I may not believe in what the man says, but I will defend to my death his right to say it.—(similar words of Voltaire)

Dear Editor:

Thanks very much, Mrs. Casey, for your help in getting us copies of the Commissioners' reports on the the canyon survey and the minutes containing the verbal reports. We have been studying these very carefully.

We fully understand and appreciate the decision at your last meeting to defer a study session with us until some time in September or later; and to go all out on the new Hillside Zoning Ordinance. Certainly this new ordinance is needed and has priority. It is exactly in line with action we have strongly urged the City Council to take.

Therefore we will wait for the discussion session with you until you have gotten all of this more urgent business out of the way and then you can communicate with us as to when you are ready to discuss it; it, of course, being definitely understood that no further action whatever will be taken, nor any decision or recommendation to the City Council, until we have had—after due notice from you when the Commission's time permits—an informal discussion and subsequent hearing, as outlined in our last letter to you.

Very truly yours,
—T. R. STETSON,
President
Foothill Area Association

Dear Editor:

The following is an open letter sent to the Mayor of Sierra Madre:

Dear Mr. Mayor:

On behalf of the Foothill Areas Association, I want to express appreciation for your action in appointing Mrs. Betty Crook to the Parks and Recreation Commission.

Mrs. Crook is a long-time resident of Sierra Madre, familiar with the overall city problems — and particularly is she well acquainted with the Canyon and the foothill area; and we are confident that she can contribute a great deal to the commission's deliberations — to the benefit of the city.

—T. R. STETSON,
President Foothill
Areas Association

P.S.: We were quite impressed with the work done by Mr. Robert Poolman on the Ad Hoc Hillside Committee, and particularly by his presentation to the council a few weeks ago; so we are glad indeed to see that you have appointed him to the Planning Commission. We hope that sooner or later there will be a vacancy which can be filled by Mr. Levy or one of our nominees.

Pack 381 Enters Nathan Hale Awards Program

July 31 will mark the deadline of submitting written themes by Cub Scouts of Pack 381 on the subject of "Why I Love America." Themes of 25 to 100 words will be mailed to Cubmaster John A. Sielen, who will forward them as a group to Freedom's Foundation at Valley Forge. This program is co-sponsored by the Boy Scouts of America, and each Unit, Council and District will receive an appropriate award. Parents may help their boys with their patriotic themes.

In support of the Strengthen America's Heritage program, Den 1 presented the great Four Freedoms: freedom of worship, freedom of speech, freedom from want and freedom from fear. Eliminate any one of these freedoms and our world would become darker and colder.

Activities this month included a trip to see the July 4th Fireworks Display at the Los Angeles Coliseum. Forty-four reserved tickets were presented to Pack 381 by Mrs. Marie Olewicz of Los Angeles. Bob Hope was the guest of honor, and the Cub Scouts and their families enjoyed an exciting and colorful fireworks spectacular.

Any 8- or 9-year-old boy interested in Cub Scouting this fall may call Cubmaster John A. Sielen, 355-0411, for information and application form.

William Chaplin Promoted By Insurance Co.

William J. Chaplin of 327 Santa Anita Court, Sierra Madre, has been promoted to the position of operating manager for the Pasadena regional office of an insurance company, according to C. J. Weiss, assistant vice president and regional manager.

Chaplin formerly was personal service division manager, and has been employed in the Pasadena office for the past seven years. He is a graduate of New Mexico University and St. Mary's High School in Albuquerque, N.M. Prior to joining the office he was an officer in the U.S. Marine Corps.

He is married and he and his wife, Helen, have two children, Helen, age 7, and Billy, age 3.

A trip to San Diego was recently enjoyed by Mr. and Mrs. John Davis of 15 E. Mira Monte. They visited the Zoo and the Sea World, and did a lot of sight seeing while there. Little one-year old Stephen didn't go with his parents this time, but instead stayed with his grandparents, Mr. and Mrs. John MacKenzie in Pasadena.

Mr. and Mrs. James Vine are having a hectic but wonderful summer building a new house. They broke ground last week, and very excited about their new home on Rancho Road are the Vine children, Vivian, Victor, Vincent, Vern and Von.

Motion Picture At Bethany Church Aug. 2

The challenge Christ presented as He began His teaching ministry is portrayed in "Challenge of Faith," a full-color motion picture scheduled for 9:30 a.m. on Sunday, Aug. 2, at Bethany Church of Sierra Madre.

Groups, divided according to age, will meet immediately following, and hold discussions on the significance of the film.

Included in the complete film depiction of the life of Christ now being shown by the church, "Challenge of Faith" shows John the Baptist as he is secretly visited in prison by friends; Jesus, with his first four disciples, renewing friendships with old fishing companions, and Jesus inviting Matthew to become a disciple. It closes with the dramatic healing of a paralytic, let down through the roof of Peter's house.

This is one of the first complete showings of the newly completed Living Christ series in this area, according to John Kershaw, general chairman. The public is invited to all or the Sunday morning showings.

Councilman King Has Active Duty

Councilman Richard King is presenting attending the Army Logistics Management Center at Fort Lee, Va.

The two weeks active duty is part of a four-year course designed to instruct reserve and regular officers in the supply and maintenance functions of the present-day Army.

Alert Citizens Greet Testing

Civil defense warning sirens of the combined Los Angeles County and City systems will be sounded in the usual month-end test tomorrow, July 31, at 10 a.m., the customary last-Friday-of-the-month, according to Sheriff Peter J. Pitchess.

The first sound will be the customary steady two-minute wail, followed by 30 seconds of silence and ending with a one-minute undulating sound, said Pitchess.

LIONS CLUB

Members who have wondered what is under our streets that requires jack hammers, picks, workmen and gaping holes cluttering traffic lanes will be treated to a thorough education on just what is happening.

Thursday evening, July 30, R. E. Harbicht, local manager of the Monrovia office of Southern Counties Gas Company of California, will present a 30-minute film and talk entitled "The Other Side of the Street."

It is an informative as well as entertaining description of the planning and coordination that takes place before the pavement is cut.

The film was produced by the Gas Company in cooperation with members of the Los Angeles Substructure Committee.

Recently this film was accepted as an entrant in the San Francisco Film Festival.

The meeting last week was devoted to business concerning membership development, and proposed joint meetings with local Lions clubs.

October 2 and 3 are the dates set for the annual White Canes project. Further plans on this project will be announced at a later date.

Dog Training Adds New Class

The Santa Anita Dog Training Group, through popular demand, has added another beginner dog obedience training class to its schedule in Arcadia County Park, as well as classes in West Covina and El Monte. These classes are very popular at this time of the year in the cool of the evening when the whole family can attend the training of their dog. Any dog five months and older may be enrolled, but it would be well for those interested to call and make a reservation, as the classes are limited.

The new class in Arcadia County Park will start on Monday, Aug. 3, at 7 p.m.—the one in West Covina will start on Tuesday, Aug. 4, at 7 p.m., and the one in El Monte will start on Tuesday, Aug. 4, at 8 p.m. For further information, please call HIllcrest 6-6858.

3 Interchanges In Monrovia

Monrovia City Council Passes Freeway Pact

The Monrovia City Council this week passed a resolution approving the Foothill Freeway agreement.

City Engineer Al Sereno, who acted as the city's negotiator in working out program details was lauded by the council and City Manager Gifford Miller.

The freeway will enter Monrovia at Fifth Avenue, between King Street and Walnut Avenue at the westerly city limit.

It will then follow a southeasterly course across the Northwoods Inn property, then southeast to Central Avenue and running parallel with Central until it enters Duarte.

Three interchanges will be located in Monrovia with off and on ramps at Huntington Drive, Myrtle Avenue and Mountain Avenue.

City officials, noting that the freeway must be completed by 1972 in order to secude federal aid for the project, agreed that local work will probably start shortly.

In other action the council:

Set next Tuesday at 6:30 p.m. as a study session. Members wil tour various projects completed under the 1964 street improvement and bridge construction program and then return to the council chambers to hear a report from attorneys representing Monrovia in the Long Beach water suit.

Approved a progress payment in the amount of $7,578.28 to Pylon Inc. for work completed on the rejuvenation of the Chapman Reservoir.

Adopted ordinance which increases speed limit from 25 to 35 miles per hour on South Myrtle Avenue from Huntington Drive to the south city limits.

Passed a resolution requesting payment by Los Angeles County of $21,985 from the Aid to Cities Fund to be used for the Duarte Road right-of-way and the widening of that thoroughfare.

Passed a resolution lauding W. L. Stone, city electrician for his part in aiding in the capture of a hit-and-run suspect involving the death of a 14-year-old Monrovia girl recently.

Letters to the Editor . . .

Dear Editor

Let's set the record straight for the benefit of the "Liberal Establishment" who are constantly using Lincoln as "Their guide."

Following are some of Abraham Lincoln's quotes:

"You cannot help the wage earner by pulling down the wage payer" . . .

"YOU CANNOT HELP THE POOR BY DESTROYING THE RICH" . . .

"You cannot bring about prosperity by discouraging thrift" . . .

"You cannot strengthen the weak by weakening the strong" . . .

"You cannot further the Brotherhood of Man by encouraging class hatred" . . .

"You cannot help men permanently by doing for them what they could and should do for themselves" . .

"You cannot build character and courage by taking away initiative and independence" . . .

"You cannot establish sound security on borrowed money" . . .

These are the same ideals and principles of Barry Goldwater and they are called EXTREME in our world today. Few men in our country today can come closer to Lincoln than Goldwater and it is about time we listen to **him** instead of the **smears and attacks against him.**

—DOROTHY STEVENS

Meet Monrovia . . .

by Gwen

Fifth grade students at Wildrose school will be calling their teacher Mrs. Blackman instead of Mrs. Carlson this fall. The marriage of Shirley Carlson to Kenneth Blackman took place Saturday, July 25 at the Arcadia Presbyterian Church. All her friends and students are happy that this popular teacher plans to return to her job.

* * *

July 25 was also the date of the wedding of Miss Lea Price and Cleson J. Stueve, son of Councilman and Mrs. Harold Stueve, at the First Evangelical Lutheran Church.

* * *

Mrs. Ray Morisette and Mrs. Don Wilcox attended the Pasadena Civic last Tuesday evening and enjoyed the performance of "Little Me." Pat and Mary are so enthusiastic about the Pasadena Civic Light Opera that they have attended all but one presentation in the past two years.

* * *

There was a nice attendance at the Pleiades Summer Party last Saturday evening at the home of Mr. and Mrs. George Hutchins, III. Entertaining in their patio, the Hutchins, with co-hosts, Mr. and Mrs. Richard Smith, welcomed members, their husbands and guests for a fun evening. Some of the couples enjoying the delightful barbecue and dancing were — the Bruce Duncans, Frank Elliotts, William Fisettes, Robert Hassings, Robert Phillips, Noel Tamiettis, Charles Ochoas, Michael Mezas, Harold McCalls, George Workmans, Robert Teegardens, Mayor and Mrs. Roy Kropke, Dr. and Mrs. Albert Miller. A most welcome surprise was the appearance of Dr. and Mrs. Robert Baker from Coalinga. Helen was an active member of Pleiades prior to moving north and it was a pleasure to see her.

* * *

Just returned from Las Vegas, and greatly disappointed in the complete absence of silver dollars, are Don and Margaret Hirt and Vern and Jean Gimlich. They say it isn't quite the same without the clack of cartwheels.

All her friends are so happy to see Joy Gaines back in the swing of things and carrying on her very active life after her recent and very serious eye surgery. It takes more than an operation to keep this gal's spirit down.

* * *

One of the most interesting European jaunts ever taken by one of our Monrovians was that of Ronnie Smith, son of Mr. and Mrs. Dick Smith, 606 Hacienda Dr. Ronnie left last February to attend the Olympics in Innsbruck and to visit ski resorts in the area. He spent five months visiting such places as Austria, France, Spain, Portugal, Monaco, Italy, Germany, Holland, Scandinavian countries, French Alps, England, the Swiss Alps, and East Berlin, Yugoslavia and many more places too numerous to describe here. The unusual aspect of his trip, aside from the fact that he avoided the "tourist route," was the fact that he hitchhiked and made the trip alone. One of the highlights of his trip was Morocco and viisting Casablanca, Tangiers and the fascinating Casbah. Ronnie now plans to return to Los Angeles State College to complete his remaining three semesters.

* * *

A dinner party was held at the home of the William Miners to celebrate Bill's birthday. Guests were the Sid Johnsons, Paul Smiths, Joe Leonards, Phil Coxes. Paul Garbers, Murray Carlson and Pete Thompson.

Three Pages of Bargains

Monrovia Merchants Invite You To Inspect Their Stores

Realizing that it is normal for most people to seek out that which they need for their family's happiness, and further, that many, many times, it is impossible to find those articles, of the size, color and description in their own shopping area, **and thus they travel to other** communities, the Merchants of Monrovia this week say, "If you find that you must travel, we invite you to travel to Monrovia and let us help you in your shopping needs."

This week, in three pages, thirteen, fourteen and fifteen, the merchants of Monrovia are displaying a sample of the many bargains that they have to offer you when you come to their community to do your shopping.

This is a concentrated effort of these merchants, many of them offering you merchandise and services that are not available in Sierra Madre, and in making themselves known, they are extending to you a special invitation, that when you are in their vicinity, whether on a buying spree, or not, to just drop in and look over their stores, so that you will be fully acquainted with the type and prices of merchandise that they represent.

Short Memory — Longer Life?

Monrovia and Long Beach police sprang into action Friday on an urgent phone call to help save a Monrovia man from accidental poisoning.

Mrs. Alta Ballentine of 630 D W. Colorado Blvd., Monrovia, called about 11:30 a.m. and told police she had just remembered, with horror, she had failed to empty corrosive solvent from the coffee pot after she cleaned it Thursday night.

Her husband William, a construction worker in Long Beach, might at any moment start drinking poiluted coffee from his vacuum bottle.

Monrovia called the Long Beach police, who rushed a car to the construction job and found Ballentine, not drinking any coffee.

He had forgotten to bring the bottle in from the car the night before, he said; and had, luckily left for work without a luncheon drink.

AFS Student To Visit Monrovia

Luiz de Jesus from Brazil will live with the Richard Kelly family 1125 Carmelita Circle, Monrovia, during the coming year as an exchange student under the American Field Service program.

The Kelly family includes son, Robert, a senior at Monrovia High School, and daughter, Kathy, an eighth grade student at Clifton School.

Luiz will accompany the Kellys on their many family outings to the desert, mountains and seashore.

C flight, Ruth Helbley, 32½; Betty Reese, 33½, and Nicky Riordion, 34.

PCC Aids Future Librarians

A new course on the ordering of library materials will be offered for the first time at Pasadena City College during the fall semester beginning September 14, according to William Grainger, librarian. The course entitled Ordering Processes includes acquisition procedures for all types of books and non-book materials. Students receive practical experience by working in the college library. The course is open to all students who have successfully completed the beginning course on Library Fundamentals.

Persons who are interested in preparing themselves as library clerks and who have not yet completed the courses in Library Fundamentals may enroll in it now for the fall semester.

Library Services and Cataloging Techniques, two additional courses in the Library Clerk Curriculum, will be offered in the Spring Semester. This curriculum is designed to prepare students for employment in the numerous public, college, school and special libraries of the San Gabriel Valley. Persons seeking additional information may call the counseling center at the college.

City of Sierra Madre July 13, 1964

Dog Licenses Due

Annual dog licenses are due at this time. Please apply at the City Hall, license office, Monday through Friday, between the hours of 8:00 A.M. through 5:00 P.M. Licenses will be issued only upon presentation of a rabies certificate. Penalty date is September 1, 1964.

You and Your Neighbor

. . . Vacation Plans

by Pauline

With her three children, John, Marie and Andrew, Mrs. William E. Heller, is planning to drive to Washington, D.C., to visit her parents, Mr. and Mrs. J. M. Harrell. They will be gone about four weeks, and included in their vacation will be a trip to the World's Fair in New York. Mr. Heller will fly to the East to join them for the drive home. On the return trip, they wil stop in Oklahoma for a visit with Mr. Heller's parents, Mr. and Mrs. J. E. Heller.

A real "dream-come-true" trip is being enjoyed this summer by three local girls. The lucky travelers, Virginia Lundgren, Julie Carlson and Sally Thayer, are taking a six-week student tour abroad. First stop on their itinerary was Panama, then Jamaica and Bermuda. They flew to England, and while there took a bus tour of the country, and visited a friend, Jane Irvine. Then on to France, Germany, Austria, Italy, Switzerland, and the last two weeks Virginia and Julie will be in Norway visiting Virginia's relatives. When the other two returned to New York, Mr. and Mrs. Ray Lundgren and their daughter, Patti, will meet them for a visit to the World's Fair. They'll all fly home via Denver, where they'll stop for a visit with the Lundgren's relatives. Virginia and Julie will be returning just in time to enroll at Pasadena City College.

Sally, daughter of Mr. and Mrs. Ronald Cook, will fly back home through New Orleans, stopping there to stay with her sister, Susan Jeffray and her family.

Mr. and Mrs. G. C. Palmer, with Jacki, Melissa and Danny, will be spending a two-week vacation in Elko, Nevada. They plan to drive over to visit Mrs. Palmer's parents, Mr. and Mrs. John Edward McLain. Last week they had the fun of celebrating Jacki's sixth birthday with a cupcake-decorating party. As the guests arrived, Mrs. Palmer gave them each an apron and a hat, and all the fixin's for their cakes. The little ladies enjoying the party were Jacki's sister, Melissa, Ann Huber, Brigette Beer, Jo Ann Jackson, Cindy Laird, Vickie Brown and Laura Doyle.

The James Wilson family are looking forward to their three week vacation of sightseeing later in the summer. With their children, Georganne, Steve, Jamie, Jeffrey and Barton, they will drive a camper to the Grand Canyon, then Utah. They're planning to stop at Lake Tahoe, see Virginia City, and end the trip with a visit to San Francisco.

Thoroughly enjoying their new fishing boat are Mr. and Mrs. Robert Lyon. They've been spending many weekends on it, and this past one they went to Catalina for some marlin fishing. Their son, William, went with them and will stay on Catalina for the rest of the summer with friends. Their other son, Cy, is spending the summer in Manhatten Beach.

Mr. and Mrs. Tom Davidson and their daughter Anne, of 516 N. Michillinda recently enjoyed their summer vacation at Sunset Beach. While they were there, Mrs. Davidson's sister and brother-in-law, Mr. and Mrs. John Bloedorne and their family from Denver came down for a visit with them.

Villa Views

By Toni Maurin

SYcamore 7-9634

I guess it is never too late to change your mind about something. I read in the big city newspaper the other day where a man and wife of 55 years of wedded life had decided to come to the parting of the ways. Fifty-five years, now that is what I call the better part of a lifetime in any man's book.

I have kind of a notion that when their year of waiting and contemplation is over they will both be madly pursed with nothing but honorable intentions. Seems as if they split the plot down the middle and she agreed to a settlement that will amount to well over 16 million dollars. I can hardly spell sixteen million dollars let alone comprehend having that much. All I can say is it took them quite a long time to make up their minds that they weren't really soul mates after all, fifty years yes, but 55!???

* * *

Mrs. Gilbert Olson of Edgecliff Lane decided that it had been too long between cups of coffee with some of her neighbors and remedied that situation last week by having a neighborhood "get acquainted" koffee klatch. Those able to attend the affair were Mrs. Holling C. Holling, Mrs. Charles Marston and her two grandchildren, John and Carol Owen, Mrs. Alfred Allen, Mrs. George LeConte, Mrs. Jack Fostinis, Mrs. William Blakley and her son Stephen, Mrs. Harold Bell, Mrs. Henry Asher, Mrs. Paul Kaponya, Mrs. Gardner Wilson and her mother who has just come to this country from France, Madam Puchey, Mrs. Everett Shaw and Mrs. William Baugh and her son Stephen. The youngsters were guests of Mrs. Olson's son Ward.

* * *

It is always sad to lose a beloved pet and I know that someone must be searching for a lost parakeet right now that I believe answers to the name of "Tommy," at least he repeats it readily when spoken to. He has quite a large vocabulary for such a young bird. If you have lost a bird and can properly identify him you may have him back. In the meantime he is being properly cared for. Just call me at SY 7-9634 if you think he is yours.

* * *

Dr. and Mrs. Paul Narcowich of Old House Road chose last Thursday to have a staff party and to welcome Dr. and Mrs. Allen Burgess back from their two and a half month sojourn thru Europe. The Burgesses have left our fair city since he retired and have a home down Newport way. After an evening of swimming and buffet dining they showed slides of their trip aboard. The other guests were Dr. and Mrs. Carl Vollmer and their daughter Susan, of Monrovia, Mr. and Mrs. Rudolph Thiem, Dr. and Mrs. Guy Markham, Alice Knaflitch, Virginia Gash, Mr. and Mrs. Robert Liebscher, and Mrs. Robert Kreigbaum and Anne, Mrs. Narcowich's sister and niece from Bay City, Michigan.

* * *

Stephen Blakley, son of Mr. and Mrs. William Blakley of Edgecliff Lane celebrated his seventh birthday with a golfing (miniature, that is) party on last Saturday afternoon. After the afternoon on the links his young friends returned home to have refreshments. The young men were Ward Olson, Stephen Baugh, Bobby Everhart, Bobby Stires, Brent Sheffield, and Gary Narcowich.

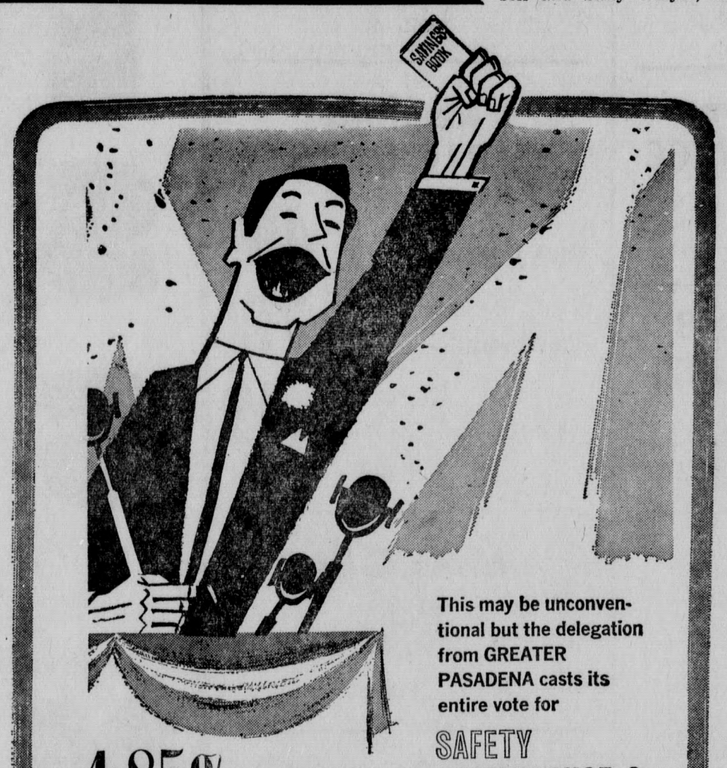

* * *

Much as we hate to have old friends move away we always find comfort in the fact that the new people moving in always seem to fit into our community life as if they had always been here. Our newest neighbors are Mr. and Mrs. Robert McClean and their four children, Bob who is 14½, Jim is 12, John, 9, and Laurie, who is just 5½. The McCleans bought the former O. Kenneth Fuller home at 1475 Old House Road. They are a very interesting and active family starting with Mr. McClean who is a Los Angeles attorney in the firm of McClean, Greenwald, and Broderick. In addition to his law he has a second and almost equal consuming interest in ranching, and manages to spend many weekends at the family ranch near Chino.

The whole family are real out-door lovers and spend a good many leisure hours camping, back packing, fishing, boating, swimming and riding. Their plans for the future include having two horses locally where they can ride daily.

Also in their future will be a little remodeling to the house they purchased.

USE THE CLASSIFIED ADS. THEY BRING IMMEDIATE RESULES.

This may be unconventional but the delegation from GREATER PASADENA casts its entire vote for
